The Junior class of 2025 came into Spirit Week with a bang, announcing their theme “Juniors in Bikini Bottom,” an idea from the popular childhood TV show *SpongeBob SquarePants* picked through Instagram polls on their page.

With their strong leadership from Class President **Sam Rubio**, Vice President **Bushra Milhelm**, Secretary **Mayson James**, Treasurer **Danica Montanez**, and ex-

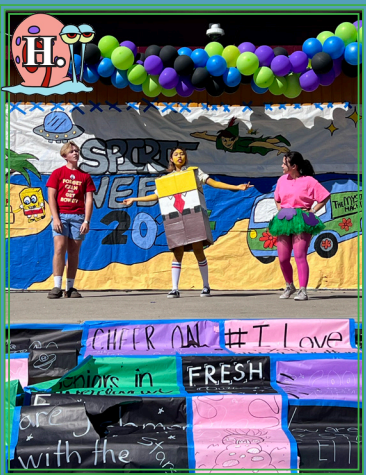

tra help from advisors **Mr. Ruiz** and **Mr. Flores**, the juniors took on spirit week eager to win.

The skit consisted of *SpongeBob* characters, attempting to pick a theme for prom whilst overcoming obstacles, such as *Plankton* attempting to steal the *Krabby Patty* formula, which prevented them from doing so. While being both funny and heartwarming, the juniors stole the audience’s attention and hearts.

On Friday at lunch, the ju-

niors incorporated *spongebob* themes into their food, selling *Krabby Patties*, *Goofy Goober Sundays*, *Grandma’s Cookies*, *Hawaiian Punch SeaWater*, and chips. Their stand, covered with sea decorations and fun interactive posters, was a hit and stood out from the crowd.

The juniors finished spirit week proud of their accomplishments and peers, looking forward to what their senior year will bring!
