

Strong Attendance Successful Students

Transitional Kindergarten & Kindergarten students that attend school **every day** build strong foundations for reading & are more prepared for higher grades!

These tips can help your child look forward to school!

Connect

- Find an opportunity to connect with your child's teacher by Parentsquare, or in-person to share more about your child.
- Create opportunities for your child to connect with older children to play and learn.
- Make sure your child's teacher and school know the best way to reach you!

Share

- Get your child excited about learning to read.
- Ask your child questions about their day - what they learned, what they liked, and who they connected with.

Nurture

- Set a standard bedtime routine that allows your child to get **at least 10 hours of sleep**.
- Set a standard morning routine.
- Schedule non-emergency medical appointments at the start or end of the school day so your child can receive as much instruction as possible.

The early years of school prepare your child for **life-long learning**. Join P-BVUSD in celebrating these milestones!
