Dear Educators,

Are you seeking a rewarding career opportunity in a supportive and inclusive environment? Look no further than Poolville Independent School District!

We are excited to extend an invitation to passionate educators like you to join our team and make a difference in the lives of our students.

At Poolville ISD, we prioritize both academic excellence and work-life balance. Here's why you should consider becoming a part of our family:

1. ****Instructional Days:**** We understand the importance of quality time in the classroom. With 161 instructional days instead of the traditional 187, you'll have the opportunity to make each day count, focusing on meaningful learning experiences for your students.
2. ****Local Leave Days:**** Enjoy the flexibility of 5 local leave days that can roll over each year if not used, allowing you to take time off when you need it most.
3. ****November Supplemental Payment:**** As a token of appreciation for your dedication, we offer a supplemental payment in November.
4. ****Stipends for Excellence:**** Poolville ISD recognizes and rewards excellence. We offer stipends for teachers involved in STAAR preparation, ESL instruction, Gifted and Talented programs, as well as those with Master's degrees.
5. ****Small Classes:**** Experience the benefits of teaching in smaller class sizes, fostering stronger connections with your students and providing more individualized attention.
6. ****Family Atmosphere:**** Join a close-knit community where every member is valued and supported. At Poolville ISD, you'll be part of a family atmosphere that celebrates diversity, collaboration, and mutual respect.
