Reading of last Minutes

Purpose of SHAC: The purpose of a local School Health Advisory Council (SHAC) is to assist the district in ensuring that local community values are reflected in the district's health education instruction.

Topics for discussion: Eight components of coordinated school health should be the priority focus areas for the SHAC:

1. Nutrition Services
2. Health Services
3. Healthy & Safe School Environment
4. Counseling & Mental Health Services
5. Staff Wellness Promotion
6. Parent & Community Involvement
7. Physical Education
8. Health Education

Future Meeting Dates: To be announced after the start of the 2024-25 school year.
