Welcome to the Shawnee Mission School District's Acclaimed Summer Enrichment Program!

The SMSD Summer Enrichment program has offered engaging summer learning opportunities for thousands of children for over the past three and a half decades. We offer a variety of interest-based classes for children currently enrolled in kindergarten through seventh grade. We also offer a pre-k class, which is designed specifically with littlest ones' needs, interests, and abilities in mind.

Our program is great for busy family schedules. At our centrally located program site (Westridge Middle School between I-35, I-69, Quivira, 95th.), your child can pack in a full day of fun in a safe and structured environment with a certified teaching staff!

Take a look through our catalog offerings and the information that follows for details on class enrollment options. Each class page outlines age requirements, class availability, and activity descriptions to help you gauge which classes are a good fit for each child. Located at the front of the book are program details, including cost, optional services, and contact information.

Feel free to contact our program office with any questions. We look forward to having your child join us in the fun at the SMSD Summer Enrichment program.

Linda Long, Principal

# **ENROLLMENT INFORMATION**

Enrollment opens online at 6:00 a.m. on March 21st, 2024 and continues until the class is full or in session. All July enrollments must be enrolled and paid by July 15th. Arena scheduling closes July 12, 2024 at 12:00 noon.

### **ENROLLMENT OPTIONS**

- 1. Enroll online via Skyward Family Access Arena Scheduling (See enrollment tutorial in the <u>appendix A</u>.)
- 2. Please email Vicky Kopp at vickykopp@smsd if:
- You are the guardian of a current SMSD student that does NOT already have access to Skyward Arena Scheduling (a linked tab on left side of Skyward Parent Portal);

Of

 You have a previously enrolled SMSD Summer Enrichment student and access to Skyward Arena Scheduling, but need to add additional siblings not previously enrolled;

or

- You have a non-SMSD student and do not have access to the SMSD Skyward Arena Scheduling in the Parent Portal. (Note: For any non-SMSD students, a photo / color scan of the guardian photo ID (e.g. driver's license, passport, state ID card, etc.) must be emailed to the Summer Programs office prior to Arena Scheduling access being granted.
- 3. Enroll in person at the Summer Programs office BY APPOINTMENT ONLY
  - o Located within the Center for Academic Achievement, 8200 W. 71st St.
  - Hours: 7:30 a.m. to Noon / 1:00 3:30 p.m. BY APPOINTMENT ONLY
  - NOTE: In keeping with district security policy, please enter the main CAA entrance with proper photo ID for scanning and ask for the Summer Programs office. All district Covid mitigation protocols will be enforced to grant access and to remain inside the building.

**4.** Enroll by mail with a check and paper enrollment form, health forms, and applicable releases included to:

Summer Programs
Center for Academic Achievement
8200 West 71st Street.,
Overland Park, KS 66204

- Please make checks payable to Shawnee Mission School District.
- NOTE: Mailed enrollments are contingent upon availability of class openings and are based upon receipt of full payment and completed forms. Mailed enrollments may result in the inability to attend a session due to capacity limits.

For all enrollment options: Photo release, technology, and health history forms *must* be completed or updated in Skyward. Non-district parents can complete health, photo release, and technology forms through Online Verification. SMSD student releases on file in Skyward will be valid for Summer Enrichment. **Immunizations must be sent or updated in person, by mail, or by email prior to the student attending class.** 

### **TUITION**

- Full payment is due at the time of enrollment. Partial payments will not be accepted and online payments not received within 24 hours of enrollment will automatically result in removal of students from the class.
- All online transactions will be charged a \$3.00 processing fee. There is no fee when a credit card is used in person at the Summer Programs office.
- Any cash payments should be for the exact amount, payable only in person at our office. Do not mail cash payments.
- All July enrollments must be enrolled and paid by July 15th (arena scheduling closes July 12, 2024 at 12:00 noon). Enrollments or payments cannot be accepted after this date.
- Tuition for each class is \$95 per week (a.m. or p.m.).
- If your child enrolls in both morning and afternoon sessions, the tuition is \$190 per week and includes lunch care at no additional cost.

- Lunch care can be added onto the enrollment for a student taking a single morning or afternoon session. See <u>optional add-on services</u> for details on Lunch Care.
- Note: Due to the Juneteenth holiday, SMSD offices and programs will be closed on June 19th. This session (week 2) is prorated at a rate of \$76 per session (or \$152 for a.m. & p.m. sessions).
- Summer Band Blast tuition is \$65.
- Late pickups will incur a supervision fee of \$1 per minute.

# **GENERAL INFORMATION**

### **OVERVIEW**

- All classes are designed to develop new interests and skills through participatory learning activities.
- Activities in each class are designed with age appropriateness in mind. Class descriptions indicate the current 2023-2024 grade level your child is in.

### **STAFFING**

- Our staff consists of certified classroom teachers who develop and facilitate the classroom instruction, alongside qualified teacher assistants. Working as a team, our enthusiastic teachers and assistants provide a positive and fun learning environment necessary for these fast-paced classes.
- A registered school nurse is on duty to provide needed services, including the administering of all medications.
  - Inform the nurse (by email, phone, or in person) of any special conditions or allergies your child may have, as well as indicate these on the health history form.
  - All prescriptions must be current and in original bottle with Rx label, along with a completed and signed parental form. Include your child's photo with any medication.
  - A no snack policy is in place within the classrooms unless medically required.
  - Be alerted to class descriptions for any additional information regarding allergen exposures.

### **HEALTH & SECURITY**

- The Health History form and proof of immunizations are required for:
  - all non-district students, and
  - o any new SMSD students
- The Health History form must be completed or updated in Skyward. Non-district parents can complete health, photo release, and technology forms through Online Verification. SMSD student releases on file in Skyward will be valid for Summer Enrichment. Registration is not complete and students may not attend class until the health history and immunizations forms are received or updated BEFORE class begins.

- A photocopy of the physician immunizations card or physician portal printout are accepted. Fax to 913-993-9435 or scan & email to <u>VickyKopp@smsd.org</u>
- Safety of our students is of the utmost importance to us. SMSD security policies and student behavior expectation standards will be in effect, and security personnel will be on duty.
- SMSD Summer Enrichment program follows all SMSD COVID-19 mitigation protocols. All participants and visitors must agree to comply with district requirements.

### **LOCATION, DATES, SESSION TIMES**

- Weekly classes are to be held at Westridge Middle School, 9300 Nieman Road.
- Monday through Friday
  - o Morning classes 9:00 a.m. until 12:00 noon.
  - o Afternoon classes 1:00 4:00 p.m.
  - Lunch Care 12:00 noon 1:00 p.m (optional add-on with a single session; included in tuition if enrolled in both the morning and afternoon sessions.)
  - Morning Care 7:30 a.m. 9:00 a.m., available as an optional add-on to the morning session only.
- Sessions run from June 10 through July 19.
  - Week 1: June 10 14
  - Week 2: June 17 21 (\*Classes will not meet on June 19)
  - Week 3: June 24 28
    - \*No classes July 3 7
  - Week 4: July 8 12
  - Week 5: July 15 19

# **CANCELLATION / REFUND POLICY**

- Classes are contingent upon a minimum enrollment criteria and may be canceled on a week-to-week basis. Phone calls or emails will be made to the contacts on file if this occurs.
- In the event that we have a class cancellation due to enrollment, you may select any available alternate class or you may request a refund.
- If your child is withdrawn from a class per your request for any reason before May 13, a 20% cancellation fee will be assessed.

- There are no refunds after May 13th. Our refund policy is strictly enforced due to the
  nature of our enrollment-based structure. Tuition fees are utilized for staffing and
  other program expenditure decisions made prior to May 13.
- A written or email request to <u>vickykopp@smsd.org</u> is required for a withdrawal or refund.

### **CLASS CHANGES**

- Requests for a change in class must be received by 4:00 p.m. of the preceding Thursday. Once an online payment has been made for a course, all changes must be completed through the Summer Programs office. Email your change request to <u>vickykopp@smsd.org</u> before June 10 or the Summer Enrichment Westridge office after..
- No changes can be accommodated on Monday mornings OR after July 12.

### **OPTIONAL ADD-ON SERVICES**

- Fees cannot be prorated.
- Not available for satellite courses at CAA or Summer Band Blast.
- There are two additional options which can be added onto a student's schedule each week.
  - Early Care:
    - \$20 per week
    - 7:30 a.m. 9:00 a.m.
    - Students must be signed in by parent or guardian when arriving
    - Consists of activities and supervision for students prior to their scheduled morning class
    - Student must be enrolled in a morning class to be eligible for this option
  - Lunch Care:
    - \$20 per week
    - 12:00 noon to 1:00 p.m.
    - There is no need to sign up for lunch care if your child is attending both an AM and a PM class. Lunch care is provided to all day students at no additional charge.

- Consists of age-grouped lunch and recess activities during the lunch period
- Students are encouraged to participate in the onsite free Summer Lunch program\*, or may bring a sack lunch, including a drink. Be sure the student's name is on the outside of the lunch.

### **LUNCH SERVICES**

- The SMSD Summer Lunch Program will be offered at Westridge Middle School from 11:30 a.m. - 12:30 p.m. for the public.
- All children ages 1-18 are able to come to lunch and eat for free, including children not enrolled in the Summer Enrichment program.
- Students who are enrolled in the enrichment program and are interested in participating in the free lunch program will eat during our regularly scheduled enrichment lunch period from 12:00-12:30 p.m., followed by recess from 12:30-1:00 p.m.
- For more information on the Summer Lunch program, go to https://www.smsd.org/about/departments/food-service

### **DAILY ROUTINE**

- Students at an assigned location.
- Locations are identified by class flags. (Flag description is located in each class information page.)
- Students attending classes at the Center for Academic Achievement will meet in the lobby on the first day (entrance by the flagpole).
- Attendance is taken every day in every class. If your child will not be able to attend class, please call the program location directly at 913.993.9412.

### **SUPPLIES**

 Most supplies for activities are provided. However, please read the activity information carefully because some may require supplies needed from home.

### **TECHNOLOGY**

Technology will be provided for any activity requiring it.

• The Responsible Use Policy and the Damaged Device Structures are in effect for Summer Enrichment.

### **VISITORS**

• Due to security protocols, visitors are not allowed in the buildings during program hours.

### **PERSONAL ITEMS**

- Please do not allow your child to bring items such as electronic games or toys. The program is not responsible for any lost, broken, or stolen items.
- If a child brings a cell phone, it must be turned off during class time.

# SATELLITE CLASSES

### **LOCATION**

Center for Academic Achievement 8200 W. 71st Street Shawnee Mission, KS 66204

### **CONTACT INFORMATION**

Ryan Flurry <u>ryanflurry@smsd.org</u> 913.993.8725

### **CLASS INFORMATION**

The Center for Academic Achievement serves as an innovative, experiential learning campus for students in the Shawnee Mission School District. Opened in the Fall of 2017, the Center serves as a unique campus serving students in Signature Career and Technical programs while also supporting the administrative offices for the Board of Education and District administration.

The Center also serves as the home to the Broadmoor Urban Farm, a unique urban farm concept initiated by the students and faculty in the Culinary Arts and Hospitality program. Students and the community benefit from the Farm to Table experience where students cultivate fresh food to be included into the Shawnee Mission School District's award winning Broadmoor Bistro.

### **TUITION & ENROLLMENT**

- \$95.00 per course, per week
- Students must be dropped off and picked up at the Center for Academic Achievement. Students will meet in the lobby on the first day. Enter through the front door by the flagpole.

### **ALLERGEN NOTICE**

Please note that objects used in classes may contain latex. Foods containing gluten, dairy, eggs, soy, and nuts may also be present. Other ingredients may be processed in

facilities that package food with nuts. Please notify on the student health form of any allergies or medical needs.

# **CULINARY ARTS**

Grades: current (2023-24) 6th-7th grade

Week 2	June 17 - 21*	AM or PM	Activity A
	*No classes June 19		

# **Activity A**

Exploring the Broadmoor Urban Farm, students will spend time working the soil to plant seedlings and harvest fresh produce. We will share the importance of where food comes from, our relationship to the soil, nutrition, community cooking, and teamwork all while preparing simple delicious food in restaurant style kitchens.

MUST WEAR CLOSED-TOE SHOES: NO SANDALS, SLIDES, FLIP FLOPS OR CROCS WITH HOLES ALLOWED.

# **Activity A: Nothing Boring about Board Games!**

NO TECHNOLOGY ALLOWED!! Computers, cell phones and tablets are taking over more and more of our lives. We hardly talk to each other any more; enough is enough. Remember playing games like Clue© and Monopoly©? Remember sitting for hours with family and friends strategizing the best way to defeat your opponent? Remember all the laughs and fun? Come and join us for a week of board games as we make new friends, communicate face to face, and have fun competing with one another in various board and card games. On Friday we will be playing some games of our own creations.

# **Activity B: Dungeons and Dragons for Beginners**

Come find out what all the hype is about. This class is for students from 5th-7th grade who have never played Dungeons and Dragons before but would like to learn more about it. We will go on an introductory adventure with pre-made characters and modified rules that give the novice player an exciting experience without the hours and hours of set-up. Class size is limited in spots available to increase the individualized instruction needed.

Get ready to stamp your passport! You'll learn about a new country each day, experiencing different cultures through art, music, history, and food. Travel along with me! We will fill a passport and record in a travel journal about our daily adventures.

### **ACTIVITY A:**

We will explore Mexico, China, Egypt, Australia, and Italy. The class will learn what it is like to live in each country, explore various foods, research various facts about each country, create craft projects, and explore some of the unique cultures found in each country.

### **ACTIVITY B:**

We will explore Germany, England, France, Denmark, and the United States. The class will learn what it is like to live in each country, explore various foods, research various facts about each country, create craft projects, and explore some of the unique cultures found in each country.

# **BROADWAY BOUND**

### **Grades:**

Week 3	June 24 - 28	Not in session	
Week 4	July 8-12	Not in session	
Week 5	July 15 - 19	Not in session	

Broadway bound is designed to give you basic vocal training in vocal production and breathing techniques. Students will explore their talents in singing songs from Broadway shows and have a chance to perform either solo or in a small group for an audience on the last day of the week.

# ACTIVITY A: Sing and Shine (for students 4th - 7th grade)

You will have an amazing time vocalizing and learning many different vocal exercises, along with breathing exercises and solfège too. Students will learn a few songs from Broadway shows and master one piece and choose that song to sing at the final performance. Adding choreography might be an option too. If you love to sing and shine on stage, this is for you!

# ACTIVITY B: Broadway Blast (for students K-3rd grade)

You will have the chance to vocalize with many simple vocal warm ups and scales. You will have the chance to sing with each other or in a small group. Junior Broadway songs will be taught and solo singing will be encouraged to perform at the end of the week. It is going to be a Broadway blast!

# **DISCOVERING ART - The Creative Corner**

Week 5	July 15 - 19	AM PM	Activity A

The Creative Corner- Children are the most creative beings in the world! Their minds are like blank canvases just waiting to be covered with any and all manner of color, lines, shapes, and maybe a little glitter. This course is for students looking to unleash their creative potential. Through amazing projects and crafts, we will explore many different ways to be creative, whether drawing or painting, sculpting or weaving, we will explore the world of art and everything creative!

**Activity A:** Each day, students will explore at least one of the different topics including: Drawing Optical Illusion, Painting- Pointillism, Sculpting- Clay Set & Architecture, Weaving, and Abstract Art including Bubble Painting & Texture Relief.

# **Everyone's An Artist \*NEW CLASS!\***

### **Grades:**

• Current (2023-24) Kdg - 4th graders

Flag Description: Tie-Dye

Week 1	June 10 - 14	AM or PM See below for class Theme
Week 2	<b>June 17 – 21*</b> *NO CLASS JUNE 19	AM or PM See below for class Theme
Week 3	June 24 - 28	AM or PM See below for class Theme
Week 4	July 8 - 12	AM or PM See below for class Theme
Week 5	July 15 - 19	Not in Session

Everyone's An Artist! And in this course we get to dive deep into our inner artists as we create beautiful works of art and explore all the best mediums including clay, paint, chalk, oil pastel, collage, and many more! Everyone's An Artist is a great class for all the student art lovers who want to spend the summer creating and exploring art a little deeper than they normally get to in their regular elementary art class. Everyone's An Artist is great for students who have **completed kindergarten through 4th grade** who love to create, explore and discover.

### Week 1: Under the Ocean

From baby sharks, to big scary squids, and every bubbly sea creature in between, this week we'll be creating art all about the many different creatures that call the ocean home. Throw on your wetsuit and let's dive into some art! Get ready to use fun materials and processes such as drawing, paint and clay! Most materials are completely washable, but **a paint shirt is** recommended.

# Week 2: Party like a Rock Star

Do you want to be a rock star when you grow up? Well this week is going to be great practice! We're going to create art about music, instruments and that awesome rock star style. We'll be using unique materials for creating our musical masterpieces. Most materials are completely washable, but **a paint shirt is recommended**.

# **Week 3: Art Explorers**

This week we will learn about art from different cultures around the world. We will look at the different art forms that have developed in different regions across the planet and create our own versions while learning about the cultures and traditions of each area. Most materials are completely washable, but **a paint shirt is recommended**.

### Week 4: Wild Wilderness Art

Who doesn't love animals? This week we'll create art that incorporates some of the most amazing creatures to fly, crawl, swim, slither and walk the Earth! And we'll learn some awesome animal facts along the way! Get ready to use fun materials and processes such as drawing, paint and clay! Most materials are completely washable, but **a paint shirt is recommended**.

# **FULL S.T.E.A.M. AHEAD**

### **Grades:**

- AM CLASSES ~ Current (2023-24) Kdg 3rd graders
- PM CLASSES ~ Current (2023-24) 4th 6th graders

Flag Description: Maroon

Week 1	June 10 - 14	AM or PM	Activity A
Week 2	June 17 - 21* *NO CLASS JUNE 19	AM or PM	Activity B
Week 3	June 24 - 28	Not in Session	
Week 4	July 8 - 12	AM or PM	Activity C
Week 5	July 15 - 19	Not in Session	

Are you creative and inventive? Do you love making slime at home, crafting new models, exploring the world around you, and recording your discoveries? Then this class is for you! Science, Technology, Engineering, Art, and Math all team up to create the most innovative and exciting Summer Enrichment program yet! From concoctions to contraptions, this hands-on experience will engage and enlighten young minds. Join us on an epic learning adventure as we explore STEAM!

Please note that objects used in class may contain latex or foods containing gluten, dairy, eggs, soy, and nuts.

# Activity A: Crime Scene

Ever wanted to put on a detective hat and solve a mystery? This is the class for you! Using forensic science techniques, we will be learning how to analyze handwriting, fingerprinting, shoe prints, and fabrics, as well as facial recognition. Join me as we find and analyze clues in our crime scenes, and solve the mystery on our way to becoming master detectives!

### Activity B: It's Electric!!

Do you ever wonder how electricity works? Why do the lights go off when I flip the light switch? IT'S ELECTRIC will explore how electricity works, from the tiniest atomic level to building our own simple and complex electric circuits, even powering light bulbs with potatoes and lemons! Join me as we discover what causes the powerful force of electricity!

# **Activity C: Rocketry**

What goes up must come down...or does it? We will find out as we launch, shoot, and throw objects into the air, testing gravity every day with different objects and techniques. If you like rockets, this is the class for you. WARNING!! Not for the weak hearted!!! Class will conclude on Friday with the launch of a solid fuel rocket!

# **FUN WITH FOOTBALL**

### **Grades:**

• Current (2023-24) 4th -6th Graders

Flag Description: Dark Brown

Week 1	June 10-14	Not in Session	
Week 2	<b>June 17 - 21*</b> *No class June 19	РМ	Activity A

Flag Description: Purple, Black, and Yellow Star Wars

Week 1	June 10 - 14	АМ	Activity A
		РМ	Activity B
Week 2	June 17 - 21*	АМ	Activity D
	*NO CLASS JUNE 19	PM	Activity C
Week 3	June 24 - 28	АМ	Activity B
		PM	Activity E
Week 4	July 8 - 12	АМ	Activity B
		PM	Activity D
Week 5	July 15 - 19	АМ	Activity E
		РМ	Activity B

With all the advances in new technology every day, it's hard for all of us to keep up! These classes teach you some engaging and educational activities. You will use a combination of websites and apps throughout the week to complete independent or group projects.

# **Activity A: Claymation**

Do you love clay animation (stop motion) films like Wallace and Gromit? Do you enjoy working with clay to create something from your imagination? You will draw a storyboard, create and sculpt characters, design and make a miniature set and props, film the story, and make your own short film. *iPads will be provided*.

# **Activity B: Minecraft**

Students will be able to explore, build and edit educational projects in Minecraft. Lessons using collaborative game play, build challenges, and using creativity for possible topics including: roller coaster design, waterslide design, underwater base design, treehouse design, recreating a famous landmark and building the 8th "Wonder of the World."

Students will be provided with the *Minecraft: Education Edition* for this class. *Devices will* be provided.

# **Activity C: Broadcasting**

Using green screen technology and other movie making apps, you will create a news broadcast highlighting all the activities and classes happening at Summer Enrichment. You will interview kids in other classes, edit your film, add effects, text and record your final broadcast. *iPads will be provided*.

### **Activity D: Stop Motion**

Using stop motion film techniques, you will experiment with animating a variety of objects and line drawings. You should bring objects to animate (action figures, Legos, toys, unusual objects, everyday objects, etc.). With stop action, you can make any object come to life!! If you are interested in animating your drawings, please work on those drawings at home and have them ready before class begins. In class we'll draw and film flip books on the first day. On day two, you will film the objects you bring from home. You can also create an animated film by drawing on the white boards in the classroom using dry erase markers. Bring objects, drawings, or just your imagination!

# **Activity E: Coding/Robotics**

This class teaches the basic programming concepts such as loops, events, functions, and algorithms. Lessons also teach students to collaborate with others meaningfully, investigate different problem-solving techniques and tasks. Beyond coding, you will learn about digital citizenship. At the end of the course, students will create their very own custom game they can share. We will be using a variety of coding websites and programs throughout the course. You will also learn how to program the Ozobot and Star Wars Lego robots. *Devices will be provided*.

### **GETTIN CRAFTY**

### **Grades:**

• AM - current (2023-24) Kdg - 3rd graders

• PM - current (2023-24) 4th - 6th graders

Flag Description: Lilac/Lavender

Week 1	June 10-14	AM or PM	Activity A
Week 2	June 17 - 21* *NO CLASS JUNE 19	AM or PM	Activity B
Week 3	June 24 - 28	AM or PM	Activity C
Week 4	July 8-12	AM or PM	Activity D
Week 5	July 15 - 19	AM or PM	Activity E

In order to provide the students taking the class with projects based on their age and ability, sessions will be divided by grade levels. AM classes will be for those students currently in grades K-3, and PM classes will be for those students who are currently in grades 4-6.

Students participating in *Gettin' Crafty* will spend the week creating fun, usable, and eye-pleasing crafts. Each week has a unique theme that will allow students to express themselves through a variety of crafts. We will learn how to take ordinary materials and turn them into something extraordinary to be cherished. <u>Students enrolled in class should</u> be proficient with scissors and have the ability to work independently on projects while using fine motor skills. Please bring a paint shirt or apron to class for the week.

\*Please note that objects used in class may contain latex or foods containing gluten, dairy, eggs, soy, and nuts.

# **Activity A: Hello Summer Paper Crafts**

Looking for something to do with ordinary paper materials? This is the class for you! In this class we will create flowers, bookmarks, cards, books, and so much more. To create our projects we will use paper, tissue paper, paper plates, and construction paper.

# **Activity B: Magical Creations**

Create magical crafts using paint, glitter and jewels. We will design crafts related to fairies, wizards, pirates, unicorns, princesses and princes.

# **Activity C: Fashion Passion**

Express yourself by making jewelry, accessories including a small purse, bedroom decor, wall art and other trendy creations.

### **Activity D: Sunny Days**

Explore summer through crafting! We will create lanterns, flower vases, fairy houses, and many more sunny, summer creations!

# **Activity E: CREATE a Craft!**

Create crafts from new and recycled materials! You are welcome to bring in your own materials, too! Bring your ideas and we will help you create the craft!

# **Junior Makers \*NEW CLASS\***

### **Grades:**

• Current (2023-24) 5 - 7th graders

Flag Description: Tan

Week 1	June 10-14	AM PM	Activity A Activity B
Week 2	<b>June 17 – 21*</b> *No class June 19	Not in Session	
Week 3	June 24 - 28	AM PM	Activity B Activity A
Week 4	July 8-12	Not in Session	
Week 5	July 15 - 19	Not in Session	

# **Activity A: Sewing 101**

Together we will work to create a variety of fun items! We will hand sew using felt and embroidery floss to create projects that will include: a stuffed monster, a pop tart and/or a donut. We will also work with heat transfer vinyl on a T-shirt or pillowcase. Create a fun watercolor with alcohol ink painting. Make some fun jewelry out of decorative erasers, embroidery floss, and beads. We will also work on some upcycled art projects using a variety of household items that would have otherwise been trash.

# **Activity B: Smashbook**

Do you like scrapbooking? If so, you will love creating a Smashbook. Students will work to compile a Smashbook. A Smashbook is a quicker method of scrapbooking that involves photos, collages with magazine art, stamps, markers, top ten lists, dreams, goals, and fun!

### KIDS CAFE

### **Grades:**

• Current (2023-24) Kdg - 6th graders

Flag Description: Bright Mint Green

Week 1	June 10-14	AM or PM	Activity A
Week 2	<b>June 17 – 21*</b> *No class June 19	AM or PM	Activity B
Week 3	June 24 - 28	AM or PM	Activity C
Week 4	July 8-12	AM or PM	Activity D
Week 5	July 15 - 19	AM or PM	Activity E

<sup>\*</sup>Please note that objects used in class may contain latex or foods containing gluten, dairy, eggs, soy, and nuts. Other ingredients may be processed in facilities that package foods with nuts.

Students in Kid's Cafe will actively participate in making snacks, sweet treats, baked goods, and main dishes. Each week students will enjoy preparing foods while using their math skills of measurement, estimating, and fractions. We will discuss nutrition, portion control, recipe modification, and cooking techniques. We will introduce students to ingredients and foods that just might encourage them to try something new. Highlights include fun recipes that are kid friendly and hands on experiences in the kitchen. We will pay special attention to equipment, kitchen safety, food safety, and good table manners. Each student will have a cookbook with 10 new recipes to take home at the end of the week.

Come have a "sweet" time with us this summer! It will be a "ball!"

# Activity A: Cupcake and Brownie Bonanza

There is more than one way to bake a cupcake and several ways to jazz up a brownie. Don't miss out on learning to create these warm from the oven treats. Yum!!

# **Activity B: Aloha!**

Put on your lei or hula skirt and join us as we explore some great foods from the island of Hawaii.

# Activity C: Pizza and Pie - OH MY!

There is more than one way to make a pie. We will be making 5 delicious pizza pies and 5 scrumptious sweet pies. We will also learn a little about the history of pizza and the art of pie baking.

# Activity D: Having a Ball

Cake balls, brownie balls, cereal balls, meatballs, cheese balls!! Roll on in for an end of the summer good time.

# **Activity E: Grilled Cheese, PLEASE!**

You will be delighted and surprised at what can be put between toasted bread and cheese. Join us for some creative grilled cheese sandwiches and homemade sides.

### **KRAZY 4 KEYBOARDS**

### **Grades:**

Activity A - Current (2023-24) 4th - 7th graders

Activity B - Current (2023-24) Kdg - 3rd graders

Flag Description: Grass / Dark Green

Week 1	June 10-14	Not in session	
Week 2	June 17 - 21	Not in session	
Week 3	June 24 - 28	АМ	В
		РМ	В
Week 4	July 8-12	АМ	В
		РМ	A
Week 5	July 15 - 19	Not in session	

*Krazy 4 Keyboards* is designed to give you basic note reading skills combined with learning some fun popular songs on the keyboard. Students enrolled in this class will also play boom whackers and chimes to enhance note reading while exploring a wide repertoire of songs. Come join the fun!

# Activity A: Advanced Keyboarding for upper grades (4th - 7th)

You will have a blast playing boom whackers, chimes, bucket drums and keyboards while learning more advanced popular songs to perform. Join the fun in learning scales, chords and creative ways to perform and compose new music. You will have the opportunity to learn the technique of playing while also getting the experience of playing these unique instruments together in harmony.

# Activity B: The Basics of Keyboarding for early grades (Kdg - 3rd)

In this class we will learn the basic note reading skills while exploring and performing popular songs on the boom whackers, chimes and keyboards. Both treble clef and bass clef C scale will be introduced. We will play games and use creative ways to read music. You will not regret signing up!

# **Literary Lab**

### **Grades:**

• Current (2023-24) Grades 4-7 \*AM Only

Flag Description: Sky Blue/Turquoise

Week 1	June 10-14	АМ	Activity A
Week 2	June 17 - 21* *No class June 19th	АМ	Activity B
Week 3	June 24 - 28	АМ	Activity C
Week 4	July 8-12	АМ	Activity D
Week 5	July 15 - 19	АМ	Activity E

This class will explore the creative writing process where students can express themselves and their imagination through storytelling. Students will learn tips and techniques needed to create their own stories and they will explore different topics and genres of writing.

# **Activity A - World-Building Workshops**

Dive deep into the art of crafting rich, vibrant worlds. From fantastical realms to futuristic landscapes, students will learn to breathe life into their settings, making them as vivid as the stories they house.

# Activity B - Genre Galore

From fantasy and science fiction to mystery and adventure, students will have the opportunity to experiment with various genres. This exploration not only broadens their literary horizons but also helps them discover their unique voice as writers.

# **Activity C - Plot Puzzles**

Unlock the secrets of storytelling with engaging plot development activities. Students will learn the art of pacing, tension, and resolution, ensuring that their narratives captivate readers from start to finish.

# **Activity D- Character Quests**

Explore the intricacies of character development. Through interactive exercises and character-driven challenges, students will bring their protagonists and antagonists to life, making them relatable, compelling, and unforgettable.

# Activity E - Author Showcases

Gain inspiration from established authors and storytellers who have mastered the craft. Students will have the opportunity to analyze and discuss works, fostering critical thinking and a deeper appreciation for storytelling.

# **MAD ABOUT MUSIC**

#### **Grades:**

- AM Current (2023-24) 4th 7th graders
- PM Current (2023-24) K 3rd graders

Flag Description: Maroon

Week 1	June 10 - 14	Not in session	
Week 2	<b>June 17 – 21*</b> *No class June 19	Not in ses	ssion
Week 3	June 24 - 28	AM or PM	Activity A
Week 4	July 8 - 12	Not in session	
Week 5	July 15-19	AM or PM	Activity B

Ever wanted to learn how to make music, explore different sounds, instruments, rhythms and beats? This class explores different ways to make music from everyday objects, cool effects, and mixing apps, as well as putting it all together to create your very own music video. Mad About Music is a creative and interactive class for those students who want to learn more about expressing themselves through the world of melodies and harmonies, with a beat to back it up!

## **Activity A: Creating Digital Music**

Do you imagine yourself in a Garage Band, composing music and playing for others? Can you see yourself putting sounds and beats together like an expert DJ? We will be exploring different music creation apps, while discovering how technology has changed music. Join me to create your own music on your iPad while exploring the ever-changing world of music!

### **Activity B: Music Video Madness**

Follow in the footsteps of the world's greatest rockstars and filmmakers, as you learn how to create and star in your own music video! In this class we will learn the essential elements of creating a successful music video, planning with storyboards, shooting the video, exploring backdrops with a green screen, and editing it all together on an iPad! Students will collaborate in small groups to create and edit their own music videos.

#### **MAD SCIENCE**

#### **Grades:**

- AM Current (2023-24) 1st 2nd graders
- PM Current (2023-24) 3rd 4th graders

Flag Description: Red & White Stripes

Week 1	June 10-14	AM or PM	Activity A
Week 2	<b>June 17 - 21*</b> *No class June 19	AM or PM	Activity B
Week 3	June 24 - 28	AM or PM	Activity C
Week 4	July 8-12	Not in session	
Week 5	July 15 - 19	AM or PM	Activity D

Students will experience the world around us through Science. Every day they will have a lesson, mini experiment, an art project, and a game. We will cover the topics of gravity, 5 senses, surface tension, and magnetism.

## **Activity A: Science in Nature**

Hands-on learning about the wonders of nature including games, an art project and fun activities.

# **Activity B: Food Science**

Explore science through the foods we see around us and eat. Fun activities, games and projects that connect science learning to the food we eat.

# **Activity C: Exploring the 5 Senses**

We learn about the world around us through our 5 senses. We will create a project about our senses, play games and learn some fun, new facts.

## **Activity D: Animals and Insects**

The animals around us do amazing things. We will explore insects that can walk on water, animals that can camouflage their appearance, and so much more.

### **MINI MUSICALS**

#### **Grades:**

- Activities A, B, C, & E Current (2023-24) K 7th graders
- Activity D Current (2023-24) 3rd 7th graders

Flag Description: Large Green & White Stripes

Week 1	June 10 - 14	AM or PM	Activity A
Week 2	<b>June 17 – 21*</b> *No class June 19	AM or PM	Activity B
Week 3	June 24 - 28	AM or PM	Activity C
Week 4	July 8 - 12	AM or PM	Activity D
Week 5	July 15 - 19	AM or PM	Activity E

Mini Musicals is designed to give you an introduction to the exciting world of musical theater! Performers will be cast in a variety of roles and will learn skills such as understanding stage directions and cues, as well as stage presence. We will construct programs, use props and costumes, and learn the music and lines for a variety of original or adapted mini musicals. Each Friday, families and friends are invited to enjoy performances. Break a leg!

# **Activity A: Circus! Circus!**

The Circus has just come to town and excitement is in the air! But wait...the ringmaster has come down with a case of laryngitis and they need to find a substitute, fast! Join the clowns, jugglers, dancing bears, lions, and more hilarious performers as they help one very sad clown smile again.

## **Activity B: Stone Soup**

When a group of weary travelers creates a delicious meal from some unexpected ingredients, the gloomy citizens of Old Town ask, "Who ever heard of soup from a stone?"

### **Activity C: Go FISH!**

A seven-legged octopus? A blowfish with allergies? A tuna that can't carry a tune? Join in the aquatic fun as little Tiger Shark and his unique collection of friends discover how their differences make them each special.

## Activity D: Star Search - 3rd - 7th graders

Travel with the planets on a quest to find out what happens when the sun takes a vacation! Blast off with this fun musical and learn about our solar system along the way!

### **Activity E: Circus! Circus!**

The Circus has just come to town and excitement is in the air! But wait...the ringmaster has come down with a case of laryngitis and they need to find a substitute, fast! Join the clowns, jugglers, dancing bears, lions, and more hilarious performers as they help one very sad clown smile again.

### **SCIENCE EXPLORERS**

#### **Grades:**

• Current (2023-24) Grades K-3rd

Flag Description: Blue

Week 1	June 10-14	AM PM	Activity A
Week 2	<b>June 17 - 21*</b> *No class June 19	AM PM	Activity B
Week 3	June 24 - 28	АМ	Activity C
Week 4	July 8-12	АМ	Activity D
Week 5	July 15 - 19	Not in Session	

Children are the original scientists, always wanting to know why and how things happen, which is why we have *Science Explorers! Science Explorers* is the class for students who are curious, excited to learn, and ready to answer some of the questions they may be wondering. During each week's session, you will grow as scientists, engineers, and life detectives as you collaborate with one another to solve problems and build your knowledge. Come join us and explore the wonderful world of science this summer! Please note that objects used in class may contain latex or foods containing gluten, dairy, eggs, soy, and nuts.

## **Activity A: Cooking Up Science**

There's very little about cooking that doesn't involve chemistry, physics, biology, or even math. If you like creating in the kitchen and want to learn about the science behind some common kitchen ingredients, join us for Cooking up Science. You will be making things like homemade ice cream, homemade bread, lava lamps and more! Let's cook up some science fun!

## **Activity B: Engineering is Elementary**

Join us for some fun project based engineering activities! Do you love to make and create things? We will learn about physics, structural engineering and mechanical engineering while designing treehouses, boats, bridges, and more. Who said engineering can't be elementary?

## Activity C (AM only): All About Nature

Students will explore the wonders of weather and nature through hands-on crafts. From fluffy cloud creations to dazzling sun catchers, every project brings nature to life. Where learning is a breeze and sun is in the forecast!

## Activity D (AM only): Animals Galore!

Unleash your wild curiosity and creativity and with our class all about animals. From furry friends to feathered pals, every project is sure to be an adventure!

## **SPORTS GALORE**

#### **Grades:**

 Current (2023-24) Kdg - 5th graders (Note: Activities within the class are divided into age appropriate grade bands for safety)

Flag Description: Light Blue Kansas City Royals Baseball

Week 1	June 10 - 14	AM or PM	Activity A
Week 2	<b>June 17 – 21*</b> *No class June 19	AM or PM	Activity B
Week 3	June 24 - 28	AM or PM	Activity A
Week 4	July 8 - 12	AM or PM	Activity B
Week 5	July 15 - 19	AM or PM	Activity A

Five out of five experts agree! The best way to beat the heat this summer is to come join us for Sports Galore, the ultimate class in summer sports. Do you enjoy sports and activities such as football, basketball, dodge ball and water games? If you do, then these are the classes for you! We will do these sports and activities along with many others in grade level appropriate groupings. Students will be exposed to many different sports and activities that will keep them moving all summer. Every Friday we play fun water games such as leaky bucket, water balloon toss and drip, drip, drench!

## **Activity A: Team Sports**

Basketball, Football, Soccer, Capture the Flag, and many more.

## **Activity B: PE Games**

Dodgeball, Bowling, Pin Blaster, Gaga Ball, Battleship and all the fun games you love to play in your PE class!

## **SUMMER NATURE: LIVE ANIMALS & EXPLORING THE OUTDOORS**

#### **Grades:**

Flag Description: Thin Green and White Stripes with the Ecology Logo

Week 1	June 10-14	AM or PM	Activity A
Week 2	<b>June 17 – 21*</b> *No class June 19	AM or PM	Activity B
Week 3	June 24 - 28	AM or PM	Activity C
Week 4	July 8-12	AM or PM	Activity A
Week 5	July 15 - 19	AM or PM	Activity B

#### The class that started the SMSD Summer Enrichment Program!

In its 49th year, the Summer Nature Program introduces elementary students to nature and the processes of science through direct observation, games, videos, presentations, and especially the use of our extensive live animal collection. Several activities have been updated for 2024. These activities teach you about the natural history of local plants and animals, as well as basic concepts of ecology. Videos, hands-on animal talks, and simulation games will be used to break up the rotation of activities, and expose you to natural events and processes which you might not be able to observe on your own. An additional feature is the use of interactive applications to present special topics and aid in small group discussions.

### **Activity A:**

This week's activities include learning about mammals, reptiles, amphibians, arachnids, and birds. We will learn about endangered and extinct animals, explore animal tracks, and learn what different kinds of animals eat. We will learn about some of our favorite exceptionally interesting animals, like the platypus and echidnas. We will engage in learning about the different habitats of animals and how the animals adapt to their environment.

### **Activity B:**

This week's activities include learning about some of the creatures that get a bad reputation but are actually really interesting to learn about! This week's focus includes learning about animals of the Outback (Australian animals), snakes, creepy crawlies (insects), and some really big fish, known as sharks!! We will learn about how animal body parts, like legs, wings, feet, and fins help them move and parts like beaks, wings, and claws help them adapt to their needs. We will learn about the amazing honey bee and other native species. We will get deep into what animals eat, including the exploration of an owl pellet.

## **Activity C:**

This week's activities include learning about some of the creatures that walked the Earth before humans: the dinosaurs! We will look at fossils and talk about the history of the Earth through animal adaptations. We will also learn about baby animals, pet care, and farm animals. We'll take a deeper look at hawks, owls, and the parts of an egg.

## **SUMMER OF READING**

#### **Grades:**

• Current (2023-24) Grades K-1st

Flag Description: White

Week 1	June 10-14	АМ
Week 2	<b>June 17 - 21*</b> *No class June 19	АМ
Week 3	June 24 - 28	Not in Session
Week 4	July 8-12	АМ
Week 5	July 15 - 19	АМ

Come join us for a tutoring session that will help scholars practice their reading. Scholars will build their understanding of letter sounds, spellings, and word recognition, to help support their reading fluency. Next, we will work on building up our reading comprehension by expanding our vocabulary! This will be an ideal group for scholars still learning to read, that test on a 1st or 2nd grade reading level. Thrilled to have you join us!

### WOODWORKING

#### **Grades:**

• Current (2023-24) 4th - 7th graders

Flag Description: Gray

Week 1	June 10-14	AM or PM	Activity A
Week 2	June 17 – 21* *No class June 19	AM or PM	Activity A
Week 3	June 24 - 28	AM or PM	Activity B
Week 4	July 8-12	AM or PM	Activity B
Week 5	July 15 - 19	Not in Session	

Do you like to build wood projects? Would you like to learn to use a variety of hand tools? Summer woodworking classes are hands-on and designed to teach basic woodworking techniques through building projects. Activities and projects may change from week to week.

## **Activity A: Woodworking 1**

This week-long course is designed for students who are interested in learning basic woodworking techniques. Students will use hand tools to produce a variety of projects which may include but are not limited to a book rack, napkin holder, oven opener and spaghetti measure. Projects will be chosen by the instructor to teach fundamental woodworking skills.

# **Activity B: Woodworking 2**

Woodworking 2 is designed as a sequel to Woodworking 1. As in Woodworking 1, students will use hand and portable power tools to produce wood projects. Projects will build upon the skills learned in Woodworking 1 and may include but are not limited to a washer toss game, bird house, tool box, phone docking/charging station and laminated projects.

# **APPENDIX A**

#### SKYWARD FAMILY ACCESS - ARENA SCHEDULING - ENROLLMENT TUTORIAL

To choose Summer Enrichment courses for your student using Skyward Arena Scheduling, log into Skyward and follow these steps below. Once courses have been scheduled in Arena Scheduling, proceed to Fee Management to pay for the courses. Payments not received within 24 hours will drop the student from course(es). Any changes to schedules after payment has been made need to be requested through the Summer Programs office.

- 1. If you see the **Missing Email Address!** message, you must enter an email address in order to use Arena Scheduling.
- 2. Click the **Arena Scheduling** tab.

3. Click on the current school year. If you have more than one student who has previously enrolled in Summer Enrichment (since 2017), all of them will show up here.

4. On the next screen you will see a listing of courses. The list shows all courses available for your student, **based on their grade for the current 2023-24 school year**.

5. You can also filter the list of courses by clicking a specific week. Then click Apply Filter.

6. Before you enroll in any Course, please write out the courses you want for your student

and preview the list. Once you have decided which classes to enroll in, click **Add** next to each Course.

**NOTE: Once you click Add, you will be charged for this course.** When removing the course, the fee *should* be removed, however be sure to double check. Once you make a payment for classes, fees cannot be automatically removed. Any changes needed after payment is made must be completed through the Summer Programs office.

- 7. Now you will see **Enr** next to the Course you chose. You will also see **No** next to any Course that is now unavailable because it falls in the same time slot.
- 8. If you change your mind and choose to Add a Course that does not fit in your student's schedule, you'll get the message below. When removing the course, the fee should be removed but be sure to double check. Any changes after payment is made must be completed through the Summer Programs office.

9. If you choose to remove your student from an enrolled class, click **Remove**.

10. Once you are finished enrolling, you can view the completed schedule, or print it, by clicking **View/Print Schedule.** 

The schedule will look similar to the one below. Click **Print Schedule** to print it. The room number = class flag color that represents the class.

Payments must be made within 24 hours or the student will be dropped from class(es).

Once payment has been made, all class changes, drops and refunds should be requested from the Summer Programs office. You may email the office with requests.

11. To pay for the courses online, go to the Skyward main menu and click the **Fee Management** tab, then **Make a Payment**.

**Please review fees carefully.** If the fees do not match the number of courses selected, please email or call our office. Please allow up to two business days for any fee adjustments.

When you make a payment, you will be taken to the eFunds for Schools page for Shawnee Mission Public Schools. Log in, or you may need to create an account and set up your student with a SMSD student ID number (this can be found in Skyward under the Student Info tab). You may also pay as a guest. New students added to Skyward will be added to eFunds daily. New accounts may need to wait an additional 24 hours before adding students and making payment.

To create an account, click on Create an Account. Then you will need to add your student(s). Click Manage Account, then Manage Students.

Click Pay Student Fees. You should see your student(s) name(s) with an arrow (→) Click the arrow and you should see the fees and be able to add them to your cart. You may also need to find the green text at the top of the page, "To refresh your student's fees, click here". Click the refresh (rounded) arrow for your fees to appear.

Then click Add All Fees to add them to your cart for each student. Once fees are in your cart, you

may begin checkout.
