

# Report of the Student Safety Data System

December 12, 2023

## OUR MISSION

The North Plainfield School District is committed to developing and maintaining a world class learning environment by providing a relevant, integrated, and progressive curriculum that will foster continued intellectual, physical, social and emotional growth in all students in order to prepare them to succeed in our dynamic, diverse, and technological society while also developing in them an appreciation for the humanistic and aesthetic aspects of life. We strive to meet our students where they are, and grow them to be successful as people when they leave our doors.
