Intervention Strategies

- ➡ District and school goals are directly tied to student performance data.
- ➡ District and school professional learning days, staff, and department meeting time across the year is dedicated to reviewing the wide variety of performance data available to staff and creating plans to address student growth.
- ➡ Subgroup results were reviewed within schools and will be closely monitored across the year.

Intervention Strategies

- ➡ Benchmark assessments (iReady, LinkIt, etc.) are scheduled to carefully monitor student progress and plan appropriately.
- ➡ Extended day programming is once again provided to support high frequency support to identified students.
- ➡ New Jersey Tiered System of Supports are in place for students that require additional assistance.
- ➡ Bilingual Programming for our newcomer students supports their transition to a new educational system.
