RECOGNITIONS AND PRESENTATIONS

Student Achievement/Recognition – Las Plumas High School

Mrs. Mary Lynch, Interim Principal

Mrs. Lynch introduced the active campus clubs, fundraisers, and new initiatives such as Greenhouse, ASB, Class of 2024, 2025, and 2026, Link Crew class of 2027, and Girls Tennis. There are nearly 15 upcoming fundraisers and a homecoming dance. The English Language Advisory Committee (ELAC) meeting was attended by parents and staff members, providing an opportunity for them to learn about the school and provide translations if needed. A School Site Council meeting is planned in October, with Assistant Principal Voth planning it. A new stakeholder group, the Principals Council, has been added to Las Plumas to guide the curriculum and instruction program. This group consists of 27 students from Freshman, Sophomore, Junior, and Senior classes, with representatives from each class. Mrs. Lynch plans to load up the freshman and sophomore groups due to their longer stay on campus. Mrs. Lynch will meet with the Principals Council to gather input on any changes at Las Plumas. She encourages the student body to contact the council members for questions and suggestions. The first meeting of the Principals Council was attended by almost all 27 students, who provided valuable input. Assistant Principal Lee leads the Curriculum and Instruction Committee, which handles textbooks and changes to the master schedule. Any changes to the curriculum must go through the committee at Las Plumas. Mrs. Lynch may also bring issues through a Principal's Council at times.

Mrs. Lynch introduced Alan von der Mehden who is known around campus as Chef V. Mr. von der Mehden thanked Mrs. Lynch and Assistant Principals Shanna Lee and Mike Voth for their outstanding work. He expressed the impact of his 173 students on the culinary program and proposed adding an additional Home Economics teacher for life skills courses and a culinary mentor program for future students. Mr. von der Mehden brought with him tonight a culinary student in her third year, Halley Evenson, a student he described as an absolute gem. Halley read along a speech that she felt compelled to write to the board of trustees (quoted below).

"Hi, my name is Halle Evenson, I am a senior at Las Plumas High School and I've taken culinary for three years. Culinary holds a special place in my heart, and my stomach. It's not just a way to satisfy hunger, but also a powerful form of self-expression. In Chef V's class, which I can only imagine is run like a culinary school, allows me to unleash my creativity and experiment with different tastes, textures, and techniques. It's like conducting a symphony of flavors, where each ingredient plays a unique role in creating a harmonious dish. Whether it's a simple pasta dish, or an intricate dessert, every recipe is an opportunity to showcase my skills and my personal style. But culinary is not just about the act of cooking; it's about the joy it brings to others. Food has always had an incredible ability in my family to bring people together, to create bonds and forge memories. Sharing a meal with loved ones is a universal language that transcends cultural barriers. It's a way to connect, to celebrate, and to show love and care for one another. Moreover, culinary allows me to explore and appreciate different cultures. Through cooking, I can travel the world without leaving my kitchen. I can dive into the rich flavors of Italian pasta, savor the aromatic spices of Indian cuisine, or experience the delicate balance of flavors in Japanese sushi. Each dish tells a story, revealing the traditions, history, and values of a particular culture. Finally, culinary has always been a safe space on campus for me and others. It challenges me to constantly grow, to push my boundaries, and to keep evolving as a cook. In summary, culinary is important to me because it allows me to express my creativity, connect with others, explore different cultures, and embark on a never-ending adventure of learning and growth. I have always and will always have a deep appreciation for this class".

HEARING OF INDIVIDUALS ON NON-AGENDA ITEMS

Joel Anderson and Jake Sheppard introduce their new gym in Oroville, focusing on functional mobility, movement, and weight lifting techniques for children as young as 8 years old. They aim to prevent injuries and are interested in partnering with the athletic programs. Mr. Damon suggests they contact Tom Frazier and Allie Bruce, the Athletic Directors at school sites, to identify any demand or need within the athletic programs.

MINUTES OF REGULAR MEETING, September 20, 2023

HEARING OF INDIVIDUALS ON AGENDA ITEMS (None)

NON-ACTION INFORMATIONAL ITEMS AND REPORTS

2. Board Comments

Mr. Damon reported that he took an opportunity to attend the State Theater on September 13th to listen to Tyler Durman speak to our high school parents and students. Mr. Damon stated "you could hear a pin drop". He took some time to the students and they were all engaged and listening to the great message put out by Mr. Durman. The only concern Mr. Damon expressed was the low number of attendees.

Mrs. King would like to take some time at a future board meeting to discuss CTE courses. She states this is something she has brought up before and would like to have another conversation about it. She would like to see more computer and medical pathway courses made available. Mr. Brown explained to Mrs. King that he lean into Mr. Wood to do the research about these types of pathways and definitely talk about it.

3. Superintendent

Mr. Brown reports that it is a joy to be in Oroville and taking the opportunities to learn and meeting each other. Last week Mr. Brown hosted the Superintendents council with nearly 25 staff members from around the district. They all took some time to share their stories of the district and ideas of how to improve. The Superintendents Council is being modeled after what Mrs. Lynch has put into place over at Las Plumas with her Principals Council. Mr. Brown states are getting great feedback just listening to the people and finding way to discuss and address the challenges. Next Superintendents Council will be held in November.

4. Administration

Mr. Wood announced a partnership with Daybreak Health, offering over a thousand hours of free mental health support to students virtually. The partnership involves finding private spaces at each site for students to access counseling services without leaving campus. Grant funds will be used to cover costs for parent support classes. Six relevant classes will be offered both virtually and in person at one of the campuses. Refreshments may be provided to create a more welcoming environment for parents. Daybreak Health will provide monthly reports on the program's usage and success. Mr. Wood reports that there are two avenues for referring students: teachers and parents. Teachers can refer students to a social worker, who conducts an assessment. Parents can also refer themselves. The company works with parents to ensure their child's well-being. Each student receives 12 weekly sessions, including an intake session, for 12 weeks. The cost of the parent classes and 1,000 hours of service is \$116,000.

Mrs. Watts reports she has been working on closing out the 22-23 school year with unaudited actuals ready for report approval next week. The auditors will be with us virtually mid-next month so the external audit will be completed in about three weeks. Once this audit has been completed we can put 22-23 to bed and move on to 23/24

5. DOJ Update

Mr. Brown reports Dr. Ruvalcaba will conduct trainings at LP on September 27th. The OUHSD Annual notification booklet was sent to the Department of Justice on September 11th. Dr. Willenberg submitted August discipline data for all OUHSD schools and reviewed it with the leadership team, principals, and district leaders to determine next steps.

NEW BUSINESS

19. **Reconsideration of Roberts Family Development Center**

The Board of trustees requested this item to be added to the agenda for further discussion in regards to the costs and expectation of staff duties.

Mr. Sehorn has a concern about the costs of this program and the lack of information given to the board of trustees for approval at the 9/16/23 board meeting. Mr. Damon expresses a concern of the costs for food for these cultural events, specifically the \$50 per meal allowing food to be taken home. Darrel Roberts explains that the \$50 line charge is an average for a family of four to take home a meal after the events. This will be used as an incentive to create a culture of parent involvement. Mrs. King asked Mr. Roberts about his plan to get parent involvement. Mr. Roberts states that he uses his time to get to know the students and parents by visiting the campus and attending the athletic events. He will reach out to the chamber of commerce and church communities to connect with them and get them involved. Mr. Damon speaks to one of the concerns that many District Office staff members are feeling that they will carry the burden of all the work required to arrange the cultural events. Mr. Roberts states that he is the one who has distributed the posters and he has no interest in making anyone responsible for a project that he is responsible for. Mr. Sehorn and Mr. Damon asked once again if there will be any responsibility or clerical work on our OUHSD personnel. Mr. Roberts states he has been speaking to principals and staff about the program. Mrs. King states that our teachers do not want anything more to do. Mr. Roberts expresses that he has shared with our staff a calendar of items related to Latin Heritage. This is intended to open up conversations and is not a requirement. Just another tool to be used for cultural discussions. Mr. Roberts reiterated that he and his staff will be here in Oroville and will be the working on the parent engagement project.

Boards Pleasure: Mr. Damon made a recommendation that that the contract for food be condensed down as well as the number of events first couple of events be to review the effectiveness. A new contract will be created by Mr. Roberts and forwarded to Mr. Brown.

MINUTES OF REGULAR MEETING, September 20, 2023
