Mr. Long.

Please consider this a fulfillment of the public records request received in our office on February 14, 2024. All official Public Records Requests become public record. The request and its fulfillment are then posted on our website.

Please see the attached link to Emmett School District Policy 8605. This policy matches the documentation you are requesting. We do not have an inventory or index beyond this policy, but this is the index that guides how records are kept in the district. If this does not match what you are requesting, please provide further clarification on what you require. Like this policy, the majority of our publicly available records are available online.

Please let me know if I can be of any further assistance!
