

Animal Summer Camp

We are excited to host our Animal Summer Camp at Carroll Middle School!

If you are looking for something fun and entertaining for your child to do this summer, or maybe you need a little “me” time, we have the answer for you! Your child will discover a variety of exotic animals, use their creativity to explore animal traits, and learn how to safely handle the animals in our program. They will also enjoy crafts and playing games.

Facilitated by:
