

Creating an ATS Profile & Uploading Documents

1. *Computer access:* dematha2.atsusers.com
Smartphone/tablet browser access: dematha4.atsusers.com
or download the app! Search for Athletic Trainer System (ATS) in the App Store/Google Play Store
2. If creating a profile for the first time, type “new” in as your Athlete ID and Password. The database should autofill as “atsdematha”

The screenshot shows the login interface for the Athletic Trainer System (ATS) at DeMatha Catholic High School. On the left is the ATS logo, which consists of a stylized yellow figure with arms raised above the letters 'ATS'. The header includes the school name 'DeMatha Catholic High School'. The login form contains three input fields: 'Athlete ID' with the text 'new', 'Password' with three asterisks '***', and 'Database' with the text 'atsdematha'. A blue 'Login' button is positioned to the right of the password field. Below the form is a link that says 'Forgot your Password?'.

If you have previously created an account, log in with the credentials you selected. If you don't have that information, DO NOT create a new account. Email jreading@dematha.org to recover credentials.

3. Complete all yellow boxes, as well as including a valid contact phone number and mailing address. There is space on this page to create an ID and password here. Please also include any medications, allergies, or other notable medical information at the bottom of the page.
4. Click “save athlete information”
5. Blank copies of all required medical forms can be found under the “eFiles” tab. This is also where completed documents will be uploaded when complete.
6. ALL incoming students are required to submit a physical dated after June 1st of the current school year, a complete immunization record, a medical history form, emergency contact form, and the Safe Sports Agreement. Athletes will be required to submit 2 additional forms, the permission release and handbook form out of the Parent Handbook. All of these forms are accessible via the DeMatha website, the eFiles tab in an ATS account, and were given as hard copies in a student's enrollment package.
