**Addendum No. 4**

The following response addresses question(s) submitted by vendor(s) on March 25, 2024; responses to the questions are indicated in **bold**. If you feel that a question has not been addressed, please contact Reed Beebe at [purchasing@smsd.org](mailto:purchasing@smsd.org) as soon as possible.

1. When submitting alternates, should it be a separate bid with two copies as well?

**To clarify, a proposed alternative bid does not need to be submitted as a separate sealed bid; that is, it may be submitted along with the sealed base bid, in the format of Attachment B. A base bid, along with any submitted alternative bid, should be submitted as outlined in the ITB (that is, if a vendor is submitting a sealed hard copy bid for a base bid along with an alternative bid, there should be two print copies of both the base bid and alternative bid enclosed in the sealed hard copy envelope or box.)**
