# Meet our Relocation Committee!

The relocation committee was created to represent the best interests of our parents, teachers, and students regarding the move. It is our goal to connect with the district and community, receive and distribute up-to-date information, brainstorm, and communicate possible concerns.

The committee is made up of 18 volunteers! This includes College Park parents, 3 teacher reps, and 4 Turnbull Mandarin Preschool parents. The committee is led by PTA Community Liaison, Christelle Hürstel. Feel free to email us or reach out to someone in your child's grade with questions!
