School improvement planning

- The SBDM committee has turned into the Advisory Leadership Team until BSMS is out of being a CSI school.
- Diagnostic Review Overview- Mrs. Ghant has the capacity, capability and willpower to turn around the school! The strengths of the data were reviewed along with the continuous improvements that have to stay in place. Two improvement priorities were shared. These priorities are developed to enhance the capacity of the institution to reach a higher level of performance and reflect the areas identified by the Diagnostic review Team. **Improvement 1-** develop and implement documented, evidence based, well communicated systemic processes and procedures to ensure continuous improvement. **-Improvement 2** - Consistently implement and monitor the established professional learning community (PLC) meeting protocol to ensure staff consistently analyze data and use findings to guide and inform instructional conversations about the curriculum, adjustments to instruction, and determination of next steps.
- Acceleration plan 2023-2024- has reached Phase 3 - Literacy and Math
- SIOP Review and Assessment was presented
- Data tracking with common formative assessments focused on math. Students need to be able to justify their thinking and use precise mathematical language and vocabulary.
