**STAFF CONDUCT**

All staff members have a responsibility to familiarize themselves with and abide by the laws of the State as these affect their work, the policies of the School Committee, and the regulations designed to implement them.

In the area of personal conduct, the Committee expects that teachers and others will conduct themselves in a manner that not only reflects credit to the school system but also sets forth a model worthy of emulation by students.

All staff members will be expected to carry out their assigned responsibilities with conscientious concern.
