Comprehensive Needs Assessment

Revised/Approved: October 17, 2023

Needs Assessment Overview

Needs Assessment Overview Summary

KHS reviewed various campus data elements to evaluate the overall goals of the campus, complete the campus program evaluation, and outline components of a needs assessment. In order to develop an effective plan, input was provided by the Campus Parent & Family Engagement Committee as they reviewed the parent survey data and discussed how federal/state funds would be used to support campus goals and expectations in meetings held on May 24th, 2023, and June 14th, 2023. The next steps were facilitated during the planning meetings held on May 24th, 2023, and June 14th, 2023 by the Campus SBDM Committee. The team was able to facilitate the development of the campus comprehensive needs assessment and KHS improvement plan for the 2023-2024 school year. A list of the campus team members is below along with a list of the Campus Parent & Family Engagement Committee Members.

In order to develop an effective plan, input was provided by the Campus Parent & Family Engagement Committee as they reviewed the parent survey data and discussed how federal/ state funds would be used to support campus goals and expectations at a meeting held on May 24th, 2023 and June 14th, 2023.

After carefully reviewing all data elements, the campus site-based team has identified the following areas as the primary focus for the 2023-2024 school year:

1. Implement best practices to improve the academic performance for all students especially at-risk students, SPED and LEP/EL.
2. Implement a system to reduce tardiness to school and to class which can have a negative effect on school culture and student academic success especially for at-risk students and low achieving students.
3. Improve the implementation of Tier I instruction where teachers differentiate content, process, products, and/or the learning environment for all students.
4. Provide well-rounded instruction that will support the whole child through innovative lessons and activities.
5. Implement the state and district "safe start" plan with fidelity and make adjustments when necessary to keep students and staff safe and provide the highest level of instruction and engagement as possible.

A review of the campus improvement plan took place on May 31, 2023, and June 1, 2023, with the Campus Administrators and CIS team. During this meeting, we discussed data to set the overall goals for the campus. The data used included a review of the parent survey, STAAR, classroom walkthroughs, and parent involvement reflections. In September 2023, we will have our first SBDM meeting and review our campus goals. We will discuss the initiatives on campus and our future goals based on data-driven decision-making.

This campus is a School-wide program that facilitates a “Conceptual Consolidation” of federal, state, and local funds to improve student performance and upgrade the entire educational program. The Site-based decision-making team collaborates on how the funds will be utilized to enable all students to meet the challenging state academic standards.

Demographics Strengths

We continue to close the performance gap between the demographic populations in each grade.

Equitable teacher-to-students in core content areas

Beginning of the year training, including special populations training, have been provided to ESL teachers and campus administrators in order to continue to successfully implement the ESL program. This is a district initiative to meet the needs of our rising ELL population. We will continue with training throughout the year including mini-sessions in faculty meetings and PLCs.

King 9th Grade Campus:

- Equitable teacher-to-student ratio in core content areas.
- Each core subject has been assigned a CIS to support students through rigorous teacher planning and teaching strategies.
- School numbers align with classrooms and teachers.

Problem Statements Identifying Demographics Needs

Problem Statement 1 (Prioritized): Receiving additional culturally diverse materials and training to support our diverse needs of the campus.

School Culture and Climate

School Culture and Climate Summary

C. E. King High School Mission Statement

At C.E. King High School, we believe in preparing every child to be college, career, or military ready, and helping them reach their full potential of becoming responsible citizens and lifelong learners.

C. E. King High School Vision Statement

The vision of C.E. King High School is to collaboratively create a culture that establishes accountability and fosters relationships to produce college, career, and military ready learners for a global society.

At C.E. King HS we have 5 core beliefs that drive our decision making and create norms for how we conduct ourselves and provide a high quality educational experience for our students and community. These 5 core beliefs are as follows:

- Education is the greatest equalizer; we believe in education for all with no excuses.
- We work with Compassion, Love, and Respect by building positive relationships and appreciating diversity.
- Everyone knows what is expected of them. We know the roles we play and play our parts.
- Have commitment to our mission, "All In Leadership."
- Provide a "Chick-fil-A Experience" for all those that we interact with.

King 9th Grade Campus

The 2022-2023 school year is the first year for King 9th Grade Campus. The school culture and climate that was planned for this year was implemented through the Sunshine Committee.

School Culture and Climate Strengths

The climate at KHS continues to become more positive each year. We have increased involvement in our numerous extracurricular activities with more families attending after school events. Our attendance rates have improved even as our enrollment continues to grow every year. Most students would describe campus life here as a fun and safe environment. Teachers are very focused on educating their students and holding them accountable for not only their academic progress, but also their behavior. Our staff is very devoted and always ready to put in additional time to accomplish whatever needs to be done on campus for us to be successful. Since the district activities are essentially the only events that take place in the small area defined as Sheldon, the KHS faculty and administrators take great care to plan events which include all campus groups throughout the year.

Weekly PLC meetings for all subjects provide uninterrupted opportunities for teachers to collaborate with their teams and departments, one day after school. Core subjects will meeting with their PLC's during and after school hours.

Our leadership team meets weekly, separately from their departments

Monthly staff meetings keep everyone informed & allow time for collaboration

Since our district provides the vast majority of the events that take place in this community, we continue to add and/or strengthen our clubs, extracurricular activities and community wide events (Breast Cancer Awareness, Special Olympics, and Homecoming) to encourage the community members to participate with their kids.

Noticeable improvement in the cleanliness of the campus: Both inside the buildings and the grounds surrounding the campus.

Safe Start Plan in place along with Covid-19 response protocols to exposure and maximize safety for students and staff.

Noticeable improvement in the communication between the staff, faculty and administration

Supper Program provided for students.

King 9th Grade Campus

King 9th Grade Campus has prepared to meet the needs of our diverse students and parents through parent involvement activities and academic support.

King 9th Grade Campus has put systems in place that will ensure a safe learning environment for all students.

King 9th Grade Campus has established a staff that is strategically placed on campus to support hall monitoring and the flow of all students in between classes.

Staff Quality, Recruitment, and Retention

Staff Quality, Recruitment, and Retention Summary

A highly qualified, highly trained, motivated staff is perhaps the most important ingredient in the teaching-learning equation. As documented numerous times in various research studies, good teaching makes the difference in student success rates.

Retention rates: [75.77%](#)

New Teachers- [32.82%](#)

Teacher qualifications are verified through our Personnel Services department when a candidate is recommended for a position in Sheldon ISD. General qualifications consist of a valid Texas teacher certification in the anticipated area of instruction. In addition to this, we request all official college or university transcripts and service records of a candidate's experience that may includes work in another Texas School district. Paraprofessional qualifications consists of verification of a high school diploma or GED and all official college or university transcripts verifying courses you have completed (if applicable). Service records are also required if a candidate's experience includes work in another Texas school district.

King 9th Grade Campus

90% of teachers on the King 9th Grade Campus possess 3+ years of teaching experience.

King 9th Grade campus is fully staffed for the 2023-2024 school year in teaching positions.

Staff Quality, Recruitment, and Retention Strengths

We offer continuous support for our teachers through the following avenues: Instructional Coaches (core), Mentors (first yr and second year teachers) , team leads, department Heads, Academy Principals and Principals.

SISD offers many perks including a competitive salary, above average insurance rates and campus level support for new teachers and any teacher struggling with classroom issues. KHS recruits the best people for the job and we will work with any teacher to help them be successful which is evident as we continue to improve the teacher retention rate.

SISD attends job fairs to recruit the best candidates for our students.

King 9th Grade Campus:

The Principal met one on one with all transferred teachers from King high school.

Each staff was strategically placed in a role that would support all students through his/her strengths.

The administration attended job fairs to support the recruitment of all staff.

Curriculum, Instruction, and Assessment

Curriculum, Instruction, and Assessment Summary

Core teachers district wide were selected to revise and develop all core curriculum. The move towards refining our current curriculum allows critical curricular needs to be addressed to improve student achievement in targeted areas. This hands-on approach gives teachers the ability to design and modify their plans, leading to the best instruction for our students. Core teachers have been allotted planning days away from the campus in order to focus their efforts on creating their new lessons & assessments. Also, KHS allots weekly PLC time for every department to come together and share the pros and cons of any lesson or strategy they're currently using. This not only strengthens the bond between colleagues, but creates opportunities for teachers to see lessons and strategies in a way they may have never thought of before, thus improving student success.

Experienced and highly effective teachers were also selected to develop aligned and rigorous assessment questions to be utilized for district level Snapshot formative assessments. This will provide EOC tested areas more data to monitor and develop intervention plans to address student needs.

Core and Elective teachers will continue to implement AVID schoolwide in addition to the SISD Instructional Principles, which includes many strategies that have been proven successful based on research such as critical reading, writing to learn, questioning, and collaborative group work. Teachers are expected to incorporate these strategies during every lesson cycle to increase engagement and student success.

King 9th Grade Campus:

Teachers will implement WICOR strategies campus-wide.

Panther Prime-time is scheduled daily so that 100% of the students can receive targeted curriculum support.

Content-based interventionists are assigned to plan and support students during push-in and pull-out academic time.

PLC times have been assigned weekly in order to allow teachers and CIS to collaborate, plan, data dig, and do focus walks.

Curriculum, Instruction, and Assessment Strengths

- Teachers re-teach concepts after reviewing assessment data on an on-going bases
- Teachers reflect, evaluate, and design curriculum for students
- Assessments are varied and frequent, using formative assessments throughout the semester to check for and reinforce understanding
- Aligning the summative exams with the curriculum to ensure tested material matches what the kids have been taught
- Teachers are encouraged to 'teach with the end in mind' (SMART goal setting)
- All teachers are utilizing the "5 Principles of Effective Instruction" which provides consistency in the delivery of material to the students and ensures the students are receiving the same instruction at the same pace.
- All teachers are utilizing AVID research-based strategies in every lesson.
- Campus instructional specialists support their teachers every day by modeling, co-teaching, planning and guiding intervention plans.
- PLC time to develop a continuous plan for improvement via lesson design, data analysis and intervention planning.

King 9th Grade Center:

Teachers will implement WICOR strategies campus-wide.

Panther Prime-time is scheduled daily so that 100% of the students can receive targeted curriculum support.

Content-based interventionists are assigned to plan and support students during push-in and pull-out academic time.

Parent and Community Engagement

Parent and Community Engagement Summary

C. E. King values the support and feedback of our parents and community. To ensure that the community is well informed of campus information, communication is provided to all parents in English and Spanish. C. E. King will provide all communication in English and Spanish to continue our commitment to building a strong home-to-school partnership.

The success of an instructional program is often significantly influenced by how well parents and the community support the school. In order to achieve support, parents must become involved as partners in the education of their students and the community as a whole must support educational efforts.

KHS strives to include as many parents and community members as possible in assisting our faculty with the education and continued success of their children.

The parent/family engagement policy was developed by a team consisting of the school principal, associate principal, assistant principal, dean, CIS team and a parent. A review of the previous year's parent survey took place, current parents request was heard, and the committee set goals to support the school's parent/family engagement needs.

Upon approval by the Sheldon ISD board of trustee, the final CIP will be translated in Spanish and placed in the campus foyer, District Office lobby, North Channel Library and Greensbrook Community Center to meet the needs of our student population and community.

King 9th Grade Campus

King 9th Grade Campus is in its second academic year in 2023-2024. After researching the needs of our parents and students, the administration has planned parent and community engagement nights including Popsicles with the Principal, Freshman Orientation, Financial Literacy Night, and Curriculum Night.

To ensure our parents are informed, campus communications are translated and delivered via text messaging.

Parent and Community Engagement Strengths

Parents are offered the opportunity to meet the teachers and administrators at "Meet the Panthers" night (virtually if needed). Over the past three years, the attendance for this event has increased yearly.

The KHS College Fair is offered in October to attract our seniors, juniors and their parents. The job fair will be conducted virtually and will include as many students/parents as possible.

We have a Spanish speaking liaison during the school day. This district employee helps the nurse, administrators and any faculty member who asks for translation help with parent contact about grades, behavior issues and medical concerns.

We have two Advise Texas advisers who reach out to students to better prepare them for college. They also offer assistance to the parents who may be unfamiliar with the college application process. We strive to include the family in this important decision.

Problem Statements Identifying Parent and Community Engagement Needs

Problem Statement 1 (Prioritized): Ensuring that all of our parents have access to attending our school-wide activities.

School Context and Organization

School Context and Organization Summary

C.E. King High School manages many programs that address student academics, provide for safety, and meet emergent needs. This includes two model college and career readiness programs that have earned the Texas Education designation--Sheldon Early College High School and Sheldon T-STEM Academy. The administrative team monitors instruction effectively, addresses needs and concerns in a timely manner, and provides a safe environment for all stakeholders to work and learn. Campus operations activities are proactive and involve many staff members. Budget allocations are made in order to secure resources that address campus needs. Staff members regularly engage in leadership and campus involvement activities. Team members are supportive and mentor new staff members. In addition, our master schedule meets the wide variety of student needs, while allowing for the students to be involved in as many electives as possible.

In an effort to improve student learning outcomes, C.E. King High School has the following programs and processes in place:

Instructional:

- Professional Learning Communities for every subject meeting weekly for 90 minutes
- Common Planning period for all EOC tested subjects.
- Instructional focus of AVID WICOR strategies in every classroom posted on teachers lesson plans
- Embedding interventions in Algebra, Eng 1-2, Bio, and USH for KHS students.
- ECHS/TSI Saturday School
- Instructional Principles focus 50/50 language production, Clear Learning Objectives, Formative Assessment, PUSH, Complete Sentences and Fundamental Five. (Framing the Lesson, Power Zone, Purposeful small group talk, Recognize and Reinforce, Write Critically)
- Best Practices

Curricular:

- Sheldon Shield curriculum for all core areas
- College Board Pre-AP Framework
- Edgenuity/E20/20 for credit recovery & initial credit
- CBE exams for initial credit
- Chrome books for every students to keep school accessible during pandemic and beyond.
- Smart boards in every classroom
- Intervention Courses for English, Social Studies and Math
- CTE Dual Technical Programs
- Dual Credit Academic Programs
- ECHS and T-STEM Programs
- AP Exams/Pre-AP for 9th and 10th grade

In efforts to maintain high staff morale and teacher retention, C.E. King High School has the following programs...

Personnel

- First/Second Year Teacher Academy
- Leadership Institute
- Stipends in critical needs, EOC tested areas and teacher leadership roles
- Care Team/Social Committee (Sun-Shine Committee)

C.E. King High School recognizes its role in building school pride through the offering of extra and co-curricular organizations.

Organizational:

- Academic organizations (National Honor Society, National Science Honor Society)
- Community service organizations (ECHS Ambassadors, King Cares, AFJROTC, KCU, PALS)
- Extra curricular organizations (Student Council, ECHS Ambassadors, King Cares, KCU, Athletics)
- Co-curricular organizations (Band, Choir, Dance, Theatre, FFA)

Recognizing that campus leaders must be professionally developed to perform their role effectively, C.E. King High School has the following programs:

1. Sheldon ISD T-STEM Academy in the STEAM ACADEMY
2. Sheldon Early College High School
3. KING NURSES IN TRAINING (KNIT)
4. GEAR UP Program

Administrative:

- AP Academy
- Texas Association of Secondary School Principals (2 annual meetings and summer workshop).
- Weekly Instructional Leadership Meeting
- Weekly Campus Level Administrative Meetings
- Weekly Learning Walks (Administrative Partnership)
- Instructional Rounds
- Quick Walks

School Parent Parental Engagement Policy:

- Copy located in English and Spanish on CIP addendum page.
- Upon approval by the Sheldon ISD board of trustee, the final CIP will be translated in Spanish to meet the needs of our student population and community.
- District Parent & Family Engagement Policy is included in the Parent/Student Handbook. District & Campus Parent & Family Engagement Policies are located via the Campus website, in the campus front foyers, District Office lobby, North Channel Library, and Greensbrook Community Center.

CIP:

- Upon approval by the Sheldon ISD board of trustees, the final CIP will be translated into Spanish to meet the needs of our student population and community.
- Campus CIP is available in English/Spanish via the Campus website. A hard copy is located in the campus main office, North Channel Library, ECHS office suite, the Curriculum and Instruction office.

School Context and Organization Strengths

C.E. King High School provides specific programs for teacher effectiveness, staff morale, leadership development and student achievement. Through these programs a focus remains

on student improvement and growth at all academic levels and community involvement. Programs include--

1. Dual Credit/Dual Enrollment Programs (on the KHS campus, at the local community college, and online)
2. CTE Programs

KHS students are organized into Academies which support student monitoring and management both inside and outside the classroom.

Testing procedures and supplemental instruction program management systems involve and serve many students.

Tutorials, Interventions, and the Saturday School Program are available for all students and run at a high level of instruction.

The campus has an effective capacity for large group remediation as EOCs/standardized tests approach each year.

Problem Statements Identifying School Context and Organization Needs

Problem Statement 1 (Prioritized): Expose teachers to PD on how to backward plan lessons to ensure alignment with state standards. **Root Cause:** The need to increase the effectiveness of instruction and increase student achievement beyond an "approaches" level of achievement.

Problem Statement 2 (Prioritized): Increase the stakeholder "buy-in" on campus by exposing students to variety of opportunities for growth and celebrating achievement beyond traditional occasions, (i.e. honors or sports) **Root Cause:** The need to be more inclusive of all our students, faculty, and parent populations and make them feel welcomed and valued by the campus community.

Problem Statement 3 (Prioritized): The campus continues to reach out to parents and community members to build strong relationships that will impact our students and community, including virtual meetings and home visits. In a effort to increase parent engagement, we need to expand opportunities for parents to feel valued and to be contributing members of the school community. **Root Cause:** We need to increase opportunities for collaboration with parents and community members whether in face to face meetings or by electronic means. We need a variety of channels in which to advertise events and increase participation in school activities.

Technology

Technology Summary

Although our campus has an adequate collection of technology equipment, in an effort to introduce our students to the global learning community, we need to add more modern technology. Our goal for the year includes proposals for additional iPad carts and the requisite training for teachers and students. We will continue to design projects that utilize BYOD skills. LOTE teachers will use Skype, Google hangouts and epals to foster relationships with students in other countries. We will also encourage students to continue finding educational apps that will guide their learning and help them experience more than what they see right outside our four walls. Teachers are incorporating more sites like edmodo and socrative into their lesson planning.

The following is a list of educational technology used around our campus;

Classroom computer – teacher use--one per teacher

Students are also "one-to-one".

King 9th Grade Campus

Students will be a "one-to-one" campus

Each classroom is equipped with a smart board to support students learning.

Research-based interventions are being purchased to support Tier1 learning.

Technology Strengths

Strong infra-structure

A knowledgeable District Tech support group (District help desk)

On-campus tech support personnel

King 9th Grade Campus

All students and teachers will have access to technology to support learning.
