

WE HOPE YOU WILL JOIN OUR CREW

CONGRATULATIONS AND WELCOME TO LAUNCH!

We are so excited to have your family join the Launch community! It is our mission to support your scholar in achieving academic excellence and high school readiness in an environment filled with cultural enrichment, motivation and Ubuntu! We take pride in creating an atmosphere of belonging and togetherness, as our motto states, "We Are Crew".

This will probably be a very special year for Launch.

Launch is building a one-of-a-kind high school campus at the historical Floyd Bennett Field (FBF).

This means that Launch will be grades 6-12 and your child may be in the first class that attends and graduates from Launch High School at FBF. Please stay tuned for more exciting news in the very near future about FBF and how you can be a part of reimagining education with Launch!

We look forward to supporting you and your scholar on your new journey!

Marcia Ward-Mitchell

Marcia Ward-Mitchell,
Launch Board of Trustees Vice Chair & Launch Parent

WE'RE SO GLAD AND EXCITED TO HAVE YOU!

"Everyone you will ever meet knows something you don't."

~ Bill Nye

As the Outreach Coordinator, I have the pleasure of meeting new people and learning new ways to better serve and attract families like you to join the Launch community. Each new family brings a wealth of knowledge, unique viewpoints, and a team-oriented spirit, which is at the core of our Habit of Kindness and Collaboration.

At Launch, parents are our partners. Your input is essential for the success of our community.

When my son was a student at Launch I was treated as a partner and a vital participant in his education.

I am always proud to say I'm a Launch parent alum. I hope you will be too.

Welcome to Launch!

Miko Simmons-Jones
