

We'd like to send a friendly reminder to make sure and turn off the Auto-Replenish function on your graduates' lunch account. Below are instructions, but if you have any questions, please email Accounting@wylieisd.net. Thank you!

How To Remove Auto-Replenish From Your Student's Lunch Account

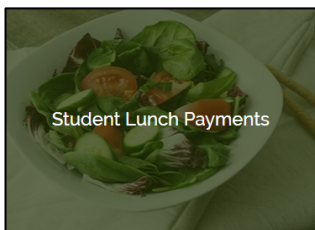

Visit the Web Store

Visit wylie-isd.revtrak.net and click Login to get to your personal Web Store account to disable auto-replenish from your student's food account

Disable Food Account Auto-Replenish for Each Student.

Log into your personal Web Store Account.

Select "Student Lunch Payments" from the categories available.

To disable auto-replenish, click on "Set Up Auto Replenish" button under the child that you would like to disable auto-replenish.

Toggle "Enable" to Disabled. Click Save to complete the setup.

Remember to disable auto-replenish before leaving or transferring schools!

Adjust settings or view payments at any time. Settings can be adjusted at any time on the food item or in your Web Store "My account" settings. Log in to the Web Store to manage settings or view payment history.
