Comments

Board Member Julie Hollingsworth commented that after many FWCS discussions on the Yondr cell phone pouches, Indianapolis did just pass school cell phone legislation which shows that FWCS is not doing this in a vacuum. Anxiously awaiting results of the pilot program. Members Hollingsworth and Member Corona attended the Adult Education Graduation ceremony last week where 200 graduates were recognized. The graduates who spoke were aspiring one even wants to be a police officer.

Board Member Jennifer Matthias has spent time recently volunteering as part of JA in a Day and encourages the community to become involved. Last week Member Matthias, President Norman and Superintendent Daniel were able to watch the excitement of Snider's 3DE national finalist competition.

Superintendent Dr. Mark Daniel commented on the recent regional boys basketball game vs. North Side and Wayne. Wayne is off to Semi State. Snider & North Side have been competing in robotics with the help of private sponsors. CEO Champions will be meeting next week. It is just the beginning seeing it continue to grow between Case Challenges, community sponsorships and beyond. Our belief is that the community is wanting to become more involved. Dr. Daniel also welcomed Austin Couch as our

Executive Director of Human Resources and Shenita Bolton as the Executive Director of College & Career Readiness who are now both part of Cabinet.

Board President Maria Norman congratulated North Side and Wayne high schools for making it to basketball regionals. She also took the time to congratulate our students and said she likes to acknowledge them any opportunity that we can. President Norman also is very proud of the Snider 3DE students for the national competition. Their idea was to have a workshop inside Home Depot staffed with an employee who could assist customers if they needed to use a tool. We have been told that late Friday legislation approved a waiver allowing schools to close on April 8 for the Eclipse (this legislation did not pass, so this Waiver comment was redacted).

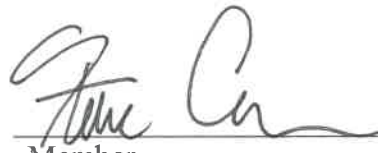

Next Meeting The next regular meeting of the Board is scheduled for March 25, 2024 at 6:00 p.m. in the Lester L. Grile Administrative Center.

Signatures Documents to be signed by members of the Board were the Minutes from the regular Board meeting, February 26, 2024; Vouchers for the period ending March 11, 2024 and the payroll for the period ending February 23, 2024.

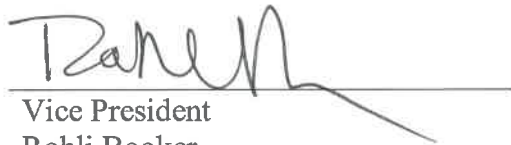

Adjournment and Dismissal There being no further business and no general public comment, upon a motion by Noah Smith, seconded by Steve Corona, the meeting was adjourned at 6:55 p.m.
