Jackson Families and Friends:

Happy Spring! As we get ready to wrap up our school year, we still have a lot of work ahead. Forward testing for grades 3-5 begins April 1st. We've seen a lot of academic growth in our students over the past couple years, and we are working to continue that growth into this year. Please help us reach our goals by making sure your child is getting a good night's sleep before the test so they are ready to do their best.

As always, I ask that you continue to follow the proper drop off procedures in the morning by using the turn around at the end of Jackson St. We've had a couple of accidents caused from doing U-Turns in the middle of the road. Not only is this unsafe, you could be ticketed by the police. Speaking of that, parking is prohibited along the yellow painted curbs. Please use the church parking lot to park if you plan to get out of your car.

Mrs. Brehm, Principal
