

Illinois Virtual Schools & Academy Summer School 2024

IVSA is a virtual learning model with courses that are recognized by the NCAA and College Board. IVSA courses are **self-paced**. Students can choose how fast, when, and where they work. There are no scheduled class times and students have 24/7 access to their course. IVSA will provide a pacing guide to assist students with staying on track to **finish their course in the requested timeframe**.

1. Original Credit Coursework - \$300 per semester course

2. Credit Recovery Coursework- \$190 per semester course. Credit Recovery courses are designed to help students recover credits at an accelerated pace. These courses include unit pretests that enable students to test out of material already mastered. Credit Recovery courses are **NOT** NCAA approved.

Click [HERE](#) for a list of IVSA Summer School Courses. Only courses listed under the '9-12 HIGH SCHOOL' tab may be considered for enrollment.

Extension Policy- OTHS will **not** grant coursework extensions for IVSA summer school courses.

2024 Summer Term Dates

START DATE FOR COURSE	LAST DATE TO ENROLL	REFUND/WITHDRAWAL	END DATE FOR COURSE
