BUFFALO LAKE - HECTOR - STEWART SCHOOL  
ISD #2159

Dear BLHS Community Member,

BLHS Early Childhood Education is teaming up to provide a birth through school readiness program in Buffalo Lake at Little Stangs Early Learning Center. This is an exciting time for our district and community. We believe that this is a place where every child belongs and families are a priority.

Our early learning team will provide a high quality education aimed at the developmental needs of the whole child. Your child will be foundationally prepared academically, physically, emotionally, and socially for the next stage in life. Our goal is to collaborate with parents and staff on curriculum, supplies, knowledge and experience and have our children ready for Kindergarten. All of these experiences will build a strong home to school connection and have a positive impact on your child's learning for years to come.

Little Stangs Learning Center is a licensed early childhood learning center serving Infants (6 weeks) - Preschool. We are also 4 star Parent Aware Rated. All of our rooms offer play based learning, curriculum, and a safe place as they grow in the early stages of their life. All of our Teachers and Assistant Teachers are highly qualified through the Minnesota Department of Human Services.

Our School Readiness program called Preschool Pals is designed to nurture your child and build upon the skills that they will need for kindergarten. Children are provided with choices and hands-on learning opportunities in language, literacy, math, science, art, music, health and well-being, and social, emotional, and physical development. All classes are taught by a licensed early childhood teacher through the Minnesota Department of Education.

We hope you choose the BLHS Early Childhood Center for your child. Please contact us if you would like to sign up or if you have any questions.

Kind regards,

Desiree Becker-LSLC
