## SEDP Summer Fun Club 2024 – CIT Expectations

### Your role as a CIT:

- Interact with the campers
- Assist the younger kids with projects and games
- Assist the staff with set up and clean up
- Come to camp with energy, enthusiasm, and a willingness to learn
- Act as a role model for campers
- Have fun!

### Daily responsibilities:

- Sign in and out of the program. You are not allowed to leave the program without a parent unless you have signed consent. Always tell a staff member that you are leaving for the day
- Check the job board for assignments.
- Take initiative to complete daily assignments without waiting to be asked or reminded
- Responsibilities may include setting up a project, cleaning tables and floors, handing out snack, filling or draining the pools
- If you're not sure what you should be doing, please ask. One of the best ways for you to succeed this summer is to ask a lot of questions.
- Demonstrate enthusiasm and energy in your job. Smile, be friendly, greet the children, staff and parents.
- Accept all assignments with a positive attitude.

### Interaction with campers:

- Spend your time directly engaged with children and program activities rather than interacting with other CITs or staff members.
- Get involved. Don't just sit and watch - play the game, participate in the project, etc.
- Don't just focus on one child. You might have your favorite, but you need to be careful not to make this obvious and not to exclude others.
- Treat everyone with respect
- Include everyone who wants to be included
- Refrain from having personal conversations when children are present. Children may ask you personal questions and it's your responsibility to answer them respectfully, but with as little information as possible. It's not appropriate to discuss your personal life, such as dating, parties, etc.
- Establish boundaries with the campers – don't pick them up and carry them around, don't let them hang on your body. Kids should never be touched on an area of their body that would be covered by a bathing suit.
- Behavior issues are mainly handled by senior staff – please ask them to help out at any time. You should be firm and consistent in reminding children of program rules, but you are not expected to handle challenging and difficult behavioral situations.
- You are not allowed to be left alone with campers at any time. You must always be directly supervised by a staff member.
- You are a role model – campers will look to you for guidance and advice. Model the behavior you expect from them. Use appropriate language at all times. Words that might be appropriate to say to your friends might not be appropriate for a 5-year-old.

### Dress Code:

- Dress in clean, neat clothing
- Clothing must not be ripped, tight or revealing
- Tank tops must have straps at least as wide as 2 fingers
- Slogans and graphics must be appropriate for children
- No bikinis
- No pajama pants

### What to bring:

- Lunch and a drink
- Clothing appropriate for outdoor activity in all weather
- Wear your CIT shirt on all field trips. (a t-shirt will be given to you at the beginning of your first CIT session)

### Use of electronics:

- Cell phone use is strictly prohibited when working with campers. Please give the program phone number to your family and ask them to contact you this way.
- All electronics (iPods, games, etc.) should be left at home, or secured in the camp office. They should not be carried in your pocket while you are working.

### Evaluation:

- At the end of your session, you will receive an evaluation of your performance. A copy will be kept at SEDP to use as a reference for future positions.
- This is a great tool for you to use in applying for other volunteer positions, jobs or scholarships.
