Senior Week

When: May 28th-May 30th

Where: To be determined (past places included; Dave and Busters, Bowling, Castle Island)

Facts: -LPS chaperoned events

-Transportation to and from LPS

-Graduation practices held 5/28-5/30

Graduation will be held 5/31/2024

Have a great list of suggestions for Senior Week from the Seniors! Dave and Busters and
Bowling are very popular requests! Will narrow it down to 3 events or day trips. Students come

to school, practice graduation and then go on the trip. Not mandatory trips, they can pick and choose which ones they'll attend.

Questions

- ❖ Do we make any money on merch sales?
 - Not currently. But are exploring this as an opportunity if anyone has a connection to a vendor.
 - Kim has worked with a vendor before that was cost effective, could we order and sell at the PIE events? Kim will reach out to the vendor and explore.
