

CHICKAMAUGA CITY SCHOOL DISTRICT STUDENT DRESS CODE 2024-2025

The Chickamauga City Schools Board of Education supports a learning environment which is safe, conducive to learning, and free of distractions. A student's dress and personal appearance should reflect pride in self and school. It is our hope that students will leave Chickamauga City Schools with an understanding that "appropriate dress" is determined by the event or function a person is attending. A dress code has been established for Chickamauga City Schools to help set the proper atmosphere for learning to take place. Students are required to show proper attention to personal cleanliness, neatness, and conservative standards of dress and appearance. Your cooperation in providing a positive climate for learning is appreciated. Your child will be expected to follow the dress standards as they are written. If a student does not comply with the dress code, he/she will be removed from class until the dress is acceptable. Absences from class for violations will be considered unexcused absences. Parents and/or guardians may have to bring clothes to school to help the student reach compliance.
