Board recognizes boys basketball team

Coach Jerry Timmons praised his team for their hard work cumulating in a 17-14 overall record tying for second in the district and qualifying for bi-district.

Board approves pay for bus drivers

The Board passed a resolution to pay personnel during emergency school closings. This action mainly affects bus drivers as they are hourly workers.

Having a stable transportation department is vital to the district's operation because every child in the district is eligible for transportation services and over 850 students use the services daily.

Campus Teachers of the Year honored

Congratulations to our new Teachers of the Year. Selected by their peers, these teachers will complete essays and undergo an interview with a selection team to determine the CISD secondary and elementary teachers of the year. Recognized were (left to right) Kenzie-Lou Bramblett, CHS math teacher; Jennifer Matlock, CMS seventh-grade reading and language arts teacher; Laura Massey, ACW fifth-grade math teacher; and Elizabeth Stegient, CES special education teacher.

District winners will be honored by the Region 10 Education Service Center this summer along with other region winners.
