DID YOU KNOW?

Statistics show that traveling to school on a school bus is 60% safer than traveling in a passenger vehicle. All students are encouraged to take the district provided school bus services to school each day.

"Parents and students are a vital part of the safety equation"

BUS SAFETY RULES

It is important to remind students of proper conduct and behavior while waiting for their bus to arrive and on the bus.

"The same rules that apply in school apply on the bus and at the bus stops"

Please review the following bus safety rules with your child:

- * Always listen to the bus driver.
- * Stay in your seat.
- * Eating or drinking is not permitted.
- * Hands and feet should not touch anyone else.
- * Technology should not be used on the bus.
- * Always use only kind words.
- * Pens and pencils should remain in the backpack.
- * Hold the handrail when getting off the bus.
- * Watch for traffic when entering and exiting the bus.
- * If you must cross the street, cross at least 10' in front of the bus, so the driver can see you.
- * Umbrellas should be kept up front near the bus driver.
- * No roughhousing on the bus or at the bus stop.

DROP OFF & PICK UP SAFETY RULES

Arrival and dismissal times are very busy here at AMPS. A large number of students need to pass through the parking area in a short amount of time, and of course, student safety is always of the utmost concern. Minimizing the amount of traffic reduces risk factor and increases efficiency throughout the process. If you must transport your child to school, all drivers are required to adhere to the following rules and regulations.

For arrival: Drivers are to follow the correct flow of traffic as indicated by posted signs, painted arrows, and school security guards. Cars should be parked in the upper parking lot and the student should be walked down to the side door. The doors will be open from 9:15 a.m.-9:25 a.m. After 9:25 a.m. students must be walked to the front door.

Dismissal: If you choose to pick up your child, please park in the upper parking lot and walk down to the side door. The doors will open at 3:40 p.m.

Never leave a running vehicle unattended. Never leave a child in the car unattended.

CLUB KISS AND GO PROCEDURES

A.M. club drop off will be in the front loop of the building from 7:55 a.m. to 8:05 a.m. Four to five students will be safely exited from cars at one time, so please be patient. To ensure that the arrival process is as smooth as possible, please:

- Try to carpool if possible.
- Drive up to the line indicated in the loop.
- Do not drop your student off if there is not a staff member outside to greet them.
- Please say your goodbyes and be ready to leave after your child exits the car so we can move the line of cars efficiently. Please do not get out of the car.
- Please have students in the rear passenger side of the car with their backpacks close by so they exit onto the sidewalk and not into the street.
- Please do not try to drive around cars in front of you.

P.M. clubs will dismiss from the front lobby.

- Please be at the school at 4:55 p.m.
