

RECKY'S INFORMATION 2024

Please read the entire policy carefully!

If your child is also planning on attending Tenaflly Recky's Tiger Camp this summer, Summer Enrichment provides **ONE-WAY** WALKING to Recky's:

- If your child starts his/her/their day at Tenaflly Summer Enrichment in the Tenaflly Middle School and needs a “**ONE WAY**” walk to Recky's Tiger Camp (which means that they are done for the day at TMS), Summer Enrichment **will walk them** to Recky's Tiger Camp at Tenaflly High School. **You do not** need to take them **TO** Recky's. This service will be provided after each of the three periods.
- **UNFORTUNATELY...** Tenaflly Summer Enrichment DOES NOT **pick campers up at Recky's Tiger Camp** to bring them to Summer Enrichment. We simply do not have the staff available and enough time allotted in between classes to assure that all students are gathered and arrive on time for classes from the high school to TMS and have full periods of instruction at the middle school.

What are parents responsible for? If your child starts his/her/their day at Recky's Tiger Camp at the high school and you want them to attend a class at TMS Summer Enrichment, you must pick your child up at Recky's if you want them to attend a class throughout the morning at Summer Enrichment in Tenaflly Middle School. Summer Enrichment will bring them back to Recky's after one of the three class periods.
