

STUDENTS WITH DISABILITIES

The Clayton County School System shall use the same criteria to determine eligibility for all CCPS students, with or without disabilities. When HHB services are approved for a student receiving services from the Department of Exceptional Students, the IEP committee shall convene to review and amend the student's IEP to reflect a change in the delivery of instruction.

SCHEDULING INSTRUCTIONAL VISITS

The Hospital-Homebound instructor typically schedules two visits per week totaling a minimum of three hours, unless otherwise indicated on the IEP. It is the responsibility of the parent of an intermittent student to notify the HHB teacher and school when the student is too sick to attend school due to his/her qualifying diagnoses.

GRADES

The classroom teacher prepares all assignments and assessments. The HHB teacher delivers assignments to the HHB student. Upon completion of assignments and/or assessments, will return work to the classroom teachers electronically or in person to be graded and recorded. When the HHB student returns to school, all original copies of classwork is returned to the classroom teacher.

ATTENDANCE

The HHB student is counted present **(H)** when the three hours per week attendance requirement is met.

HOSPITAL HOMEBOUND OVERVIEW

Hospital-Homebound (HHB) provides academic instructional support to students who are confined to the hospital, home, or health care facility for periods of time that prevent normal school attendance. Approval for HHB requires medical certification of need by the licensed attending physician or psychiatrist who is treating the student for the presenting diagnosis. The attending physician or psychiatrist must anticipate that a student will be absent for a minimum of ten consecutive or intermittent days (or the equivalent on a modified schedule) due to a chronic illness, injury, or surgery.

(GA DOE HHB rule 160-4-2.31)

Clayton County Public Schools

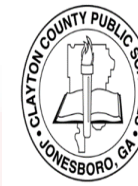

Vision Statement

The vision of Clayton County Public Schools is to prepare ALL graduates to have the skills to pursue and accomplish college, post-secondary training, and/or career opportunities in order to live and compete successfully in a global society.

Clayton County Public Schools

Mission Statement

The mission of Clayton County Public Schools is to empower scholars to achieve academic, professional, and personal goals by providing equitable access and experiences that build skills in literacy, creativity, critical thinking, and collaboration.

HOSPITAL HOMEBOUND SERVICES

HOSPITAL INSTRUCTION

Clayton County School System is authorized to make arrangements or contract hospital based instruction with the hospital directly, with the school system in which the hospital is located, or with appropriately certified teachers in that geographic area.

APPLICATION FOR HOSPITAL-HOMEBOUND

- It is the responsibility of the parent or guardian to request Hospital-Homebound services as soon as possible to prevent excessive absences and missed school work.
- The school counselor is the first point of contact and, upon request, will provide the required forms.
- The Hospital Homebound forms may also be accessed from the CCPS website at: www.clayton.k12.ga.us/departments/student_services/hospital-homebound
- To have Hospital Homebound Forms

ELIGIBILITY

To be considered for services in the Hospital-Homebound Instructional Program, a student

- Must be enrolled in the Clayton County Public School System;
- Must be in the care of a licensed Georgia Board physician or psychiatrist who manages the student's presenting diagnosis.
- Must sign and submit the Hospital Homebound Referral/Parental Guidelines Form.
- Must take the Medical Certification Form or Medical Certification Form for Psychiatric Diagnoses to the attending physician or psychiatrist to be completed in its entirety, signed, and returned to the school or hospital Homebound Department via email or by the parent/guardian,
- Must not be absent due to expulsion, or suspension,
- Who is chronically ill may qualify for intermittent HHB services when recommended by his or her attending physician.
- Will have an interdisciplinary team consisting of the HHB teacher, parent, and school representatives meet to develop an Educational Service Plan .
