AGREEMENT

This Agreement is made and entered into by and between Westminster Public Schools and the WESTMINSTER EDUCATION ASSOCIATION this 14th day of March, 2023, effective July 1, 2023, through June 30, 2026.

ARTICLE L1 – Definitions

- L1-1 The term “teacher” as used in this Agreement shall mean an employee of the District who is a member of the negotiating unit.
- L1-2 The term “Board” shall mean the Board of Education of Westminster Public Schools.
- L1-3 The term “Association” shall mean the Westminster Education Association.
- L1-4 The term “District” shall mean Westminster Public Schools
- L1-5 The term “Superintendent” shall mean the Superintendent of Schools of the District.
- L1-6 The term “school year” shall mean the period of time from the opening of the schools of the District in the fall, usually in August, to the closing of the schools in the spring, usually in June.
- L1-7 The term “parties” or “party” shall mean the District and/or the Association.
- L1-8 The term “principal” shall mean any building administrator or the administrator of any work location or functional division.
- L1-9 Except when modified by the word “calendar”, or by some other word, the term “day” shall mean a contract day, that is, a day on which a teacher is contractually obligated to perform services for the District.
- L1-10 The “negotiating unit” shall consist of all employees of the District who are certificated by the Colorado Department of Education and who are on more than a half time contract. The negotiating unit shall exclude all administrators, classified employees, and substitute teachers employed by the District.
- L1-11 A “waiver” is a temporary suspension of a provision from the collective bargaining agreement, Board of Education Policies and Procedures, or state statutory and regulatory requirements.

ARTICLE L2 – Retained Rights

The Board of Education and the Association recognize that the Board of Education has certain powers, discretions and duties that, under the Constitution and law of the State of Colorado, may not be delegated, limited, or abrogated by agreement with any party. It is further understood between the parties that all rights and authority of the Board of Education, which are not specifically waived, compromised, or otherwise mentioned or limited in this agreement, shall be retained by the Board of Education.

ARTICLE L3 – Recognition

- L3-1 The Board recognizes the Association as the exclusive representative of and negotiating agent for the negotiating unit defined in Article L1-10.
- L3-2 The association will represent equally all members of the negotiating unit without regard to membership in, participation in, or association with the activities of the Association and/or other employee organization. The parties recognize that membership in the Association is not a requirement for employment by the District.
- L3-3 The exclusive recognition of the negotiating unit by the Association granted herein shall continue throughout the term of this Agreement provided, however, that any person represented by the negotiating unit may during the months of March and October of any year submit a petition to the Board signed by thirty percent (30%) of the persons represented by the negotiating unit stating that they desire to be represented by another organization or by no organization. Said petition shall request that an election be held to determine what representation, if any, the bargaining unit will have. The petition shall have stated thereon, exactly, the question before the negotiating unit.

Within thirty days of receipt of the petition by the Secretary of the Board, the Secretary shall hold a fair and impartial election to answer the question stated on the petition. To oversee the election and to assure the election is run in a fair and impartial manner the Secretary shall appoint a six (6) member election commission consisting of two persons representing the Association, two persons representing the Board, and two persons representing the petitioners. The Association shall have the right to designate its two commission representatives. It will be the responsibility of the election commission to conduct and to certify the results of the election. The Board shall pay the cost of the election. No more than one such election shall be held in any one school year.

A majority for the purpose of the election shall be a majority of the persons represented by the negotiating unit.

If recognition is lost pursuant to the process described herein, this Agreement shall expire as of the date of the election.

- L4-1 This agreement shall constitute the full and complete commitment between Westminster Public Schools and the Westminster Education Association.
- L4-2 Neither the Board nor the Association will discriminate against any teacher on the basis of race, creed, color, national origin, sex, marital status, disability or membership in any teacher organization.
- L4-3 This Agreement may be altered, changed, added to or deleted from, or modified, only through the voluntary mutual consent of the parties in a written and signed amendment to this Agreement.
- L4-4 In the event that any provision of the Agreement is held invalid or unenforceable by a court of competent jurisdiction, no other provision of this Agreement shall be affected by such holding, and all of the remaining provisions of this Agreement shall continue in full force and effect.
- L4-5 If there is a conflict between adopted Board Policy and the terms and conditions of this negotiated Agreement, the terms and conditions of the negotiated Agreement shall control.

ARTICLE L5 – Conducting Negotiations

INTRODUCTION

The parties agree that during the 2024, 2025, and 2026 negotiations, the following steps will apply:

- L5-1 The parties will begin the process utilizing the interest-based problem solving procedure.
- L5-2 If a breakdown should occur, the Federal Mediator will be called to provide on-site assistance to move beyond the breakdown and continue the interest-based problem solving procedure. A “breakdown” occurs when either party determines that an entire Tentative Agreement has not been reached.
- L5-3 If a breakdown should occur after the Federal Mediator has been utilized the parties agree to proceed directly to fact finding utilizing Section L5-8 through L5-9 requesting a “fast track” by the fact finder.
- L5-4 During negotiations, the Board and the Association, through their respective negotiating teams, will make available relevant data, exchange points of view, present options, and develop standards to judge options. Upon request of either team, the other team will make available for inspection its records and data pertinent to the subject of negotiations.
- L5-5 Both parties agree to negotiate in good faith. Good faith is defined as an honest attempt to resolve issues that arise during the negotiations process. The obligation of good faith negotiations does not compel either party to agree to a proposal or require the making of a concession.
 - L5-5-1 Either party may bring a MOU as one of its issues for negotiations in accordance with Article L37-1.
- L5-6 Either party may, if it so desires, utilize the services of consultants to assist in negotiations.
- L5-7 Negotiation sessions between the parties’ respective negotiating teams shall be conducted at mutually agreeable times and locations. All negotiation sessions shall be open unless mutually agreed otherwise. The parties will agree on any communications to be released prior to fact finding.
- L5-8 The names of the members of the respective negotiating teams will be exchanged no later than at the first negotiating session. Each team will be limited to ten members including consultants. Unless otherwise agreed upon, the composition of the respective negotiating teams shall not be changed during the period of negotiations, except for extenuating circumstances such as illness or leaving the employment of the District.
- L5-9 When both teams desire that negotiations be scheduled during the school day and the Superintendent authorizes it, the members of the Association’s team shall be released from their regular duties without loss of time and pay.
- L5-10 Tentative agreements reached during negotiations will be reduced to writing and will have conditional approval of both teams. Such conditional approval shall be acknowledged by the spokesperson initialing and dating the proposal. Tentative Agreement on individual proposals will be conditional upon the approval of an entire Tentative Agreement by both teams. When the teams reach a Tentative Agreement, it will be presented to the Association and to the Board for ratification. Upon ratification of the Tentative Agreement by the Association and thereafter by the Board, the Agreement will be executed by the appropriate officers of the parties, and will become effective in accordance with Article L37. If either the Association or the Board fails to ratify the Tentative Agreement as presented within twenty (20) calendar days the date such Tentative Agreement was reached, the team of the party failing to ratify will promptly notify the other team. Following such notification, negotiations will resume as provided in this Article L5.
- L5-11 Impasse
 - L5-11-1 If the negotiations do not result in a Tentative Agreement within twenty-eight (28) calendar days from the commencement of negotiations, the parties may agree to extend negotiations by mutual consent. Absent such consent or at the end of any such extension, the issues in dispute shall be

submitted to a fact finder. If the parties are unable to agree on a fact finder, within one business day from the date an impasse has occurred, the parties will jointly request the American Arbitration Association to submit simultaneously to each party identical lists of five persons skilled in fact finding in educational matters. Each party shall cross off any names to which it objects on the list, number the remaining names in the order of its preference, and mail the list to the American Arbitration Association.

If a party does not mail the list within seven calendar days of the postmarked date of the letter with the list of fact finders from the American Arbitration Association, all persons named on such list shall be deemed acceptable.

- L5-11-2 From among the persons who have been approved on both lists of fact finders, and in accordance with the designated order of mutual preference, the American Arbitration Association shall appoint a fact finder.
 - L5-11-3 If the teams fail to agree upon any of the persons named, or if for any other reason an appointment cannot be made from such lists of names, the American Arbitration Association shall appoint a fact finder from its other members without submitting additional lists.
 - L5-11-4 Fact-finding shall be scheduled to commence within three weeks of the appointment of the fact finder.
- L5-12 Fact Finding
- L5-12-1 The fact finder will have the authority to hold hearings and make procedural rules.
 - L5-12-2 All hearings by the fact finder shall be held in open session.
 - L5-12-3 If the fact finder requests, a certified court reporter shall take a stenographic record of the hearing and copies of the transcript shall be provided to the fact finder and the teams. The costs for the stenographic record will be shared equally by the parties. Or, if the fact finder does not so request, either party may arrange for a certified court reporter to take a stenographic record of the evidence taken at the hearing. The party requesting a stenographic record shall pay the cost thereof, except that if the other party shall request a copy of any transcript, that party shall share equally the entire cost of making the stenographic record. Post hearing briefs, if any, shall be submitted within ten (10) days after the stenographic record, if any is filed.
 - L5-12-4 Within 30 calendar days after the conclusion of such hearings, the submission of a transcript of the hearing, if any, or submission of post-hearing briefs, if any, whichever occurs last, the fact finder shall submit a report in writing to the teams only. The report shall set forth the fact finder's findings of fact, reasoning and recommendations on the issues submitted. The report shall be advisory only and binding neither on the Board nor on the Association.
 - L5-12-5 Within five (5) days after receiving the report of the fact finder, the teams will meet to discuss the report, which meeting is a continuation of the negotiations process. No public release of the report may be made until after the conclusion of such meeting or subsequent agreed upon meetings. At this meeting(s) each party will advise the other of its position on the Fact Finder's report and the reasons therefore. If no tentative agreement is reached on the disposition of the Fact Finder's report during those meetings, the report will be acted upon in accordance with Article L5-9-6.
 - L5-12-6 The parties shall take official action on the report of the fact finder no later than ten (10) calendar days after the conclusion of the meetings described in Article L5-9-5.
 - L5-12-7 The costs for the services of the fact finder, including per diem expenses, if any and actual and necessary travel expenses, shall be shared equally by the parties.

ARTICLE L6 – Grievance Procedure

L6-1 Purpose

L6-1-1 As problems arise, good morale is maintained by sincere efforts of all persons concerned to work toward constructive solutions in an atmosphere of courtesy and cooperation. The purpose of this procedure is to secure, at the lowest possible administrative level, equitable solutions to problems, which may from time to time, arise.

Both parties agree that these proceedings will be kept as informal and confidential as may be appropriate at any level of the procedure.

L6-2 Definition

L6-2-1 A “grievance” will mean a claim or complaint by a teacher, a group of teachers, the Association or the Superintendent that there has been a violation, a misinterpretation, or an inequitable application of any of the provisions of this Agreement, or that a condition exists which jeopardizes a teacher’s health or safety. The term “Grievance” will not apply to any matter for which the method of review is prescribed by law or the Board of Education is without authority to act.

L6-2-2 “Party(ies) in interest” will mean the teacher or group of teachers making the claim or complaint, the Association, or the Superintendent, including designated representatives as provided-for herein, and any person or persons who might be required to take action or against whom action might be taken in order to resolve the problem.

L6-2-3 The “grievant” is the teacher, group of teachers, the Association or the Superintendent with a grievance.

L6-2-4 “Level” will mean the separate and distinct stages to be followed in sequential order in the processing of a grievance.

L6-3 Time Limits

L6-3-1 Since it is important that grievances be processed as rapidly as possible, the number of days indicated at each step will be considered as the maximum. The time limits specified may, however, be extended by written agreement of the parties.

L6-3-2 No grievance will be recognized by the Board or the Association unless it shall have been presented in writing on the grievance forms developed by the parties at the appropriate level within fifteen (15) days after the grievant knew, or should have known, of the act or condition on which the grievance is based, and if not so presented, the grievance will be deemed forever waived.

L6-3-3 Failure at any level to appeal a grievance to the next level within the specified time limits will be deemed to be acceptance of the decision rendered at that level.

L6-3-4 Failure to render a decision within the specified time limits will be deemed to be reason for advancing the grievance to the next level of the procedure.

L6-4 Informal Procedure

L6-4-1 A grievant may first discuss the grievance with the grievant’s principal or designee, individually or accompanied by an Association representative, with the objective of resolving the grievance informally.

L6-4-2 If the grievant is not satisfied with the outcome of the informal procedure, the grievant will have the right to proceed to formal procedure.

L6-5 Formal Procedure

L6-5-1 Level One

If the grievant is not satisfied with the outcome of the informal procedure, or chooses not to use the informal level, the grievant will present the grievance in written form to the principal or designee. Information copies will be sent to the Association and the Superintendent or the Superintendent's designee. Within five (5) days of the receipt of the grievance, the principal will meet with the grievant for the purpose of attempting to resolve the grievance. The principal or designee will, within five (5) days after the hearing, render a decision and the reasons therefore in writing to the grievant and the Association, and the Superintendent or Superintendent's designee.

L6-5-2 Level Two

If the grievant is not satisfied with the decision at Level One, the grievant may within five days after receiving such decision, file the grievance with the Association. If the Association deems that the grievance is meritorious, the Association may file the grievance with the Superintendent, within five days of the date on which the grievant filed the grievance with the Association. Within ten days thereafter, the Superintendent, or the Superintendent's designee, will meet with the grievant and Association representative(s) for the purpose of attempting to resolve the grievance. A record of such hearing will be kept by the Superintendent's office and made available to any party in interest upon request. The Superintendent, or the Superintendent's designee, will, within five days after the hearing, render a decision and the reasons therefore in writing to the grievant and the Association.

L6-5-3 Level Three

If the grievant is not satisfied with the disposition of the grievance at Level Two, the grievant may, within five days thereafter, request the Association to submit the grievance to arbitration.

If the Association deems the grievance meritorious, it may, within seven (7) calendar days thereafter, make written demand to the Superintendent that the grievance be submitted to arbitration. Within seven (7) calendar days from the date arbitration is demanded, if the parties cannot mutually agree on an arbitrator, they will submit a request to the American Arbitration Association to submit simultaneously to each party identical lists of the names of five persons skilled in the arbitration of educational matters. Each party shall cross off any names to which it objects, number the remaining names in the order of its preference, and mail the list to the American Arbitration Association. If a party does not mail the list within seven calendar days of the postmark date, all persons named thereon shall be deemed acceptable.

L6-5-4 From among the persons who have been approved on both lists and in accordance with the designated order of mutual preference, the American Arbitration Association shall appoint an arbitrator.

L6-5-5 If the parties fail to agree upon any of the persons named, or if those named decline or are unable to act, or if for any other reason an appointment cannot be made from such lists of names, the American Arbitration Association shall appoint an arbitrator from its other members without submitting additional lists.

L6-5-6 The arbitrator will have the authority to hold hearings and make procedural rules. The arbitrator will issue a report within a reasonable time after the close of hearings, the submission of post-hearing briefs, if any, the submission of the transcript of the hearing, if any, or, in the event oral arguments have been waived, then from the date the final statements and evidence are submitted.

L6-5-7 The arbitrator's report shall be simultaneously submitted in writing to the Board and the Association only, and shall set forth the arbitrator's findings of fact reasoning, conclusion and recommendations shall be consistent with law and with the terms of this Agreement. The report shall be advisory only and binding neither on the Board nor the Association.

- L6-5-8 The arbitrator's function shall be limited, after due investigation, to the interpretation and construction of the specific articles of this Agreement, or to consideration of whether a condition exists which jeopardizes a teacher's health or safety.
- L6-5-9 If, at any time, either party disputes the arbitrability of any grievance under the terms of this Agreement, such dispute may be submitted to arbitration in accordance with the procedures established by this Article.
- L6-5-10 The costs for the services of the arbitrator, including per diem expenses, if any, plus actual and necessary travel and subsistence expenses, shall be shared equally by the parties, unless the arbitrator determines either party's position is frivolous or lacks any substantial justification, in which case the arbitrator may charge all costs and expenses against that party.
- L6-5-11 Either party may request that a certified court reporter take a stenographic record of the evidence taken at the hearing. If such stenographic record is taken, a copy of the transcript shall be provided to the arbitrator. The party requesting a stenographic record shall pay the cost thereof, except that if the other party shall request a copy of any transcript, that party shall share equally the entire cost of making the stenographic record.
- L6-5-12 Within five days of receipt of the arbitrator's report, representatives of the parties shall, upon request meet to discuss the report.
- L6-5-13 The Board shall act on the arbitrator's report within 25 days of the meeting referred to in Article L6-5-12 above, or if no such meeting is held, then within 30 days of receipt of the arbitrator's report.
- L6-6 Rights of Teachers to Representation
- L6-6-1 Neither the Board nor any member of the Administration will take any reprisal affecting any teacher, any Association representative, nor any witnesses called by reason of such participation in the grievance procedure.
- L6-6-2 Any party in interest may be represented at any level of the grievance procedure by a person(s) of his/her own choosing, except that he/she may not be represented by a representative or officer of any teacher organization other than the Association. When a teacher is not represented by the Association, the Association shall have the right to be present, and to state its views at any level of the formal grievance procedure.
- L6-7 Miscellaneous
- L6-7-1 If a grievance is filed which might not be finally resolved at Level Three prior to the end of the school year under the time limits set forth, such time limits may, by agreement of the parties, be reduced so that the grievance procedure will be concluded prior to the end of the school year, or as soon thereafter as is practicable.
- L6-7-2 All written and printed matter dealing with the processing of a grievance will be filed separately from the files of the central officer personnel grievant or any other party in interest.
- L6-7-3 To facilitate operation of the grievance procedure, necessary forms will be jointly prepared by the parties, with costs being shared equally and copies distributed to all buildings and the Association.
- L6-7-4 The parties will make available to the parties in interest pertinent information and documents not privileged under law in their possession or control which are relevant to the issue(s) raised by the grievant.
- L6-7-5 When it is necessary at Level Two or Level Three for a representative(s) of the Association or other teachers to attend meetings or hearing held during pupil contact time, the Superintendent will notify the principals concerned and such personnel will be released from their regular duties without loss of pay for such time as their attendance at such meetings or hearings is required. Every effort will be made to avoid disruption of the regular school day.

- L6-7-6 The Association may call upon the professional services of legal counsel, the Colorado Education Association, or the National Education Association at Levels One, Two or Three of the grievance procedure.
 - L6-7-7 Should any teacher elect to pursue any legal or statutory remedy for any alleged breach of any adopted policy of the Board, or any alleged violation of his/her rights under this Agreement, such election will bar any further or subsequent proceedings for relief under this Agreement.
 - L6-7-8 At Levels One, Two and Three of this grievance procedure, the grievant shall on the appropriate form: briefly state the facts giving rise to the grievance; refer to the specific provision or provisions of the Agreement alleged to have been violated, or describe the condition which exists which allegedly jeopardizes the grievant's health or safety; and, specify the relief sought.
- L6-8 Superintendent Grievance
- L6-8-1 The provisions of Sections L6-4-1 through L6-5-2 of this Agreement shall not apply to grievances filed by the Superintendent.
 - L6-8-2 Before filing a grievance under this Article the Superintendent shall first attempt to meet with the Association President to discuss the subject of the grievance.
 - L6-8-3 Within seven (7) calendar days after meeting with the Association President, or if no meeting occurs, within fifteen (15) days after the Superintendent knows of the events giving rise to the grievance, the Superintendent may file a written grievance with the Association President.
 - L6-8-4 Designated representatives of the Association and the Superintendent shall meet to discuss each grievance filed by the District within 10 days after the grievance is filed. Within 5 days after such meeting the Association shall provide the District with a written statement setting forth its position on the grievance.
 - L6-8-5 If the District is not satisfied with the Association's position, it may demand arbitration within 5 days of receipt of the Association's statement, which shall be conducted in accordance with the procedure established in this Article.

ARTICLE L7 – Transfers

- L7-1 Transfer shall mean the full-time relocation from one building site to another building site. Openings of less than one year shall be filled on an interim basis and shall not be subject to the provisions of this Article for the following year.
- L7-2 Announcement of vacancies will be posted promptly in all buildings as they occur except during periods when school is not in session. Such announcements will include the name of the school where the vacancy exists. During such periods, vacancies will be posted in the District Human Resource Office. Teachers will have at least five (5) days to respond to an announcement of a vacancy. During the summer months vacancies will be announced on the District Code-A-Phone telephone message system. Every effort will be made to post vacancies for new schools prior to the end of March.
- L7-3 The teacher requesting a transfer shall state in writing the specific position(s) desired and the teacher's qualification for such position(s). If the teacher believes special circumstance exist which should be brought to the attention of the Chief of Staff, such circumstances should be indicated with the request for a transfer.
- L7-4 When, in the judgment of the district, teachers who have filed a Request for Transfer meet the qualifications for the vacancy, the District will interview at least three (3) such qualified teacher applicants. However, the School District shall in no way be limited in the number of applicants that it may interview for any vacancy.
- L7-5 Evaluative information, other than that contained in personnel files of those teachers under consideration, shall not be solicited from any source unless the information is requested with the knowledge of the teacher seeking the transfer.
- L7-6 Requests for transfer shall be considered on the basis of qualifications for the position desired. In filling a vacancy, the District will take into account the program needs of the District and will consider, among other things:
1. The teacher's endorsement area(s);
 2. The teacher's certification;
 3. The teacher's experience, including length of service in the District and the most recent teaching experience;
 4. The teacher's educational preparation and training; and
 5. Whether such change in assignment is educationally sound.
- L7-6-1 In order to foster a climate in which the professional educators will feel free to transfer, the parties agree to:
- (a) Conduct a survey of staff members about their interests and concerns about transfer policies;
 - (b) Provide opportunities for staff to attend interview training skill building sessions;
 - (c) Encourage buildings seeking transfer applicants to hold an "open house" for interested faculty to attend.
- L7-7 Applicants for transfer shall be notified of the teacher selected. In the event that an applicant, who was granted an interview, so desires, the applicant may make written request to the Chief of Staff to ascertain the reasons why the applicant was not selected for the vacancy. The Chief of Staff, or designee, shall make written reply to the applicant stating the reasons why the applicant was not selected for the vacancy.
- L7-8 The Chief of Staff will make every effort to process requests for transfer prior to hiring new teachers.
- L7-9 When a transfer is requested by the Administration, whenever possible, the teacher shall be notified of the involuntary transfer and the reasons therefore 30-days prior to the date of the proposed transfer. If the teacher requests additional clarification of the reasons for this transfer, a meeting with the Chief of Staff will be

scheduled. At the request of the teacher, and if the Chief of Staff agrees, the current building principal will be called to the meeting.

L7-9-1 Whenever possible, teachers who have been involuntarily transferred within the previous four years will not be considered for involuntary transfer.

L7-9-2 Involuntary transfers will be made for sound educational reasons.

L7-9-3 When a teacher is involuntarily transferred during the school year, substitute or aide assistance shall be provided to the teacher, at the discretion of the School District, for up to five school days to assist in the transition.

L7-9-4 A teacher who has been involuntarily transferred because of a reduction in the number of teacher positions in the department or school shall be granted an interview for openings occurring in the same department or school in the subsequent year if he/she requests a transfer to that opening.

L7-10 If a transfer becomes necessary because of a reduction in teacher positions in the building, the Principal or appropriate program administrator will engage teacher(s) who might be affected. The process will take into account the program needs of the building, and will consider those who have volunteered for transfer. A consensus decision is preferred; however, in the absence of such decision, the Principal or appropriate program administrator has the responsibility to decide based on the following considerations:

1. The teacher's endorsement area(s);
2. The teacher's certification;
3. The teacher's experience, including length of service in the District and the most recent teaching experience;
4. The teacher's educational preparation and training;
5. Whether such change in assignment is educationally sound.

ARTICLE L8 – Teaching Conditions

- L8-1 The contract year for teachers shall be 185 days which shall include ten (10) non-student contact days comprised of fifty-six (56) work hours and twenty-four (24) staff development hours.
- L8-1-1 The principal shall consult with the faculty before scheduling release days for professional purposes.
- L8-1-2 The Contract year for the first year of employment for teachers new to the District shall be 190 days.

- L8-2-1 Site-based decision making gives schools the ability to administer their own process and procedure. Schools will adhere to the district calendar if they choose to consider the changing of non-student contact days in developing the work schedule for licensed staff. The use of time that staff spends in required or voluntary participation outside the forty-hour work week shall be recognized. Recognition may include, but shall not be limited to the following:
- (a) Use staff development, work days, and/or exchange days differently.
 - (b) Use the option to bank hours towards a different work schedule.
 - (c) Schools will evaluate yearly and change, if needed, the extra-curricular building activity schedule.
- L8-3 The normal teaching load for secondary school teachers shall be six (6) teaching periods per day or the equivalent thereof if block scheduling is used. Normally secondary school teachers shall not have more than three (3) separate class preparations/levels.
- L8-4 Teachers shall have planning periods, which total at least 250 minutes per week. Secondary teachers shall have two (2) planning periods during the contract day and at least one (1) of the planning periods shall be within the student contact day. During such planning periods, teachers will not be assigned duties other than planning and/or preparation, and conferences with parents, students, or administrators. Except in cases of emergency, principals and counselors shall consult with teachers before scheduling parent conferences. In cases of emergency, the teacher will be notified as soon as the conference is scheduled. To the extent possible, additional planning time outside the student contact day will be provided.
- L8-4-1 There will be four teacher planning days that will be evenly distributed throughout the school year for elementary schools.
- L8-4-2 For secondary schools there will be two teacher planning days that will be evenly distributed throughout the school year.

- L30-2 Such reports will be forwarded to the Board through the Superintendent’s office. If, as a result of such alleged assault, civil or criminal proceedings were brought against the teacher, the District, if its attorney recommends, will comply with any reasonable request by the teacher for information in the District’s possession not privileged by law or District policy, which is relevant to such incident.
- L30-3 If criminal or civil proceedings are brought against a teacher alleging that the teacher committed an assault in connection with the teacher’s employment by the District, such teacher, after making the reports previously described, may request, and the District may provide, assistance in the preparation of the teacher’s defense insofar as the Board determines that the interests of the teacher and the District are not conflicting.
- L30-4 Nothing contained in this Article shall prejudice any action that the District may otherwise take regarding the employment status of any teacher.

ARTICLE L31 - Academic Freedom

- L31-1 The Board believes that academic freedom is essential to the fulfillment of the purposes of the school system. It acknowledges the fundamental need to protect teachers from any censorship or restraint, which might interfere with their obligation to pursue truth in the performance of their classroom functions. Accordingly, the Board holds that:
- L31-1-1 The nature of American democracy requires that citizens be able to listen to all sides of a controversial issue, sort out the facts, and arrive at independent conclusions. Students in school, therefore, have a right to be exposed to issues, which are within their intellectual grasp and are under current debate in our society.
 - L31-1-2 This right of students imposes certain obligations upon the Board, the teachers, the administration, and the community.
 - L31-1-3 The Board will attempt through its policies to employ capable teachers, supply them with the necessary teaching materials, and maintain an atmosphere of academic freedom in the schools.
 - L31-1-4 Administrators and teachers as individuals through their councils, committees, departments, and faculties, will be responsible for determining when and how to deal with controversial issues according to the maturity and needs of students and the policies of the Board.

Appendix C Vocational Schedule 2023-2024 / 2024-2025

Teachers with a vocational credential who are employed in the vocational education program of the District will be granted placement on the teachers' salary schedule using the following equivalency chart:

$$VC = AB$$

$$VC + 15 = AB + 15$$

$$VC + 30 = AB + 30$$

$$VC + 45 = AB + 45$$

Years of acceptable work experience in excess of that required for the vocational credential shall be compensated at the rate of .014 of the base salary per year for each such year to a maximum of six years. As a part of the six-year maximum allowance, the Chief of Staff will determine if the work experiences and hours correspond to the qualifications stipulated in the job description. Salary payments will not be made where past work experience has been given college credit. When teachers on the vocational schedule earn a bachelor's degree, they shall maintain their position on the vocational schedule.

2,000 on-the-job hours equals one year.

NOTE: VC means Vocational Credential. Quarter hours earned toward an AB Degree need not be classified as graduate hours.
