Student Injuries:

Even with the greatest precautions and the closest supervision, accidents can and do happen at school. They are a fact of life, and a part of the growing-up process our children go through. Parents need to be aware of this and be prepared for possible medical expenses that may arise should their child be injured at school. The school district does not provide medical insurance to automatically pay for medical expenses when students are injured at school. This is the responsibility of the parents or legal guardians. The district carries only legal liability insurance. The district does make student medical insurance available to families for their individual purchase. Brochures outlining the coverage and premiums are handed out at the beginning of the year, and are available at the school office yearlong. Parents, please be prepared to pay for your child's possible medical expenses.
