### Extras

A few variable expenses are charged as “extras” as necessary, such as trips and expeditions, clothing and additional books, together with certain optional extras, including additional music lessons. These are billed one term in arrears and can typically total £300 to £350 per term.

Ad-hoc stay-overs are charged at £62 per night; however there is no charge for stays resulting from a mandatory curriculum-based event (including school plays). A reduced rate of £30 per night will be charged when a pupil stays over as the result of a school-based event such as Sixth Form social evenings, sports clubs, Academy and non-mandatory school trips. These charges apply to all Day pupils and to Weekly Boarders who are staying additional nights. If a stay-over occurs on a Friday night, the cost of the Saturday Activities programme (excluding pocket money) is included within the charge. Spaces for those not on Full Boarding will be subject to availability.

The Sixth Form Social charge of £77 per term is levied for all Sixth Formers. Optional membership of the Sixth Form Bar incurs a charge of £50 per term.

### Premiums

SEND provision is chargeable at variable rate dependent upon the level of support required. For example, weekly individual 50-minute session is charged at £600 per term and a weekly group 50-minute session is charged at £348 per term.

Fee rates for the National Studies Program (incorporating the US College Prep Program) are available upon request.

English for Speakers of Other Languages (ESOL) support is charged at a rate of £1800 per term.

Music lessons incur a charge of £345 per term for a 40-minute weekly lesson or £425 per term for a 50-minute weekly lesson. Lesson length is determined by ability. Theory lessons are charged at £95 per term. Speech and Drama lessons incur a charge of £220 per term for group lessons (50 mins) or £345 per term for individual lessons (40 mins). Dance lessons incur a charge of £220 per term for group lessons (45 mins) or £345 per term for individual lessons (45 mins).

Charges for the School bus are payable termly in advance dependent upon distance.

### Additional Information

Payments may be made by bank transfer, direct debit or UK cheque.

The School can, as an alternative to Termly billing, issue a Fee Bill for a full School Year; should a parent or guardian wish for such an invoice, the Bursary must receive notice by the 15th July. Fee Bills for the full School Year include a discount of 2% on the core fees and premiums. Payments must be received and cleared before the commencement of the School Year to attract this discount.

Where a term's fees are paid by instalments, each instalment will be collected at the beginning of the month. Extras are collected in the first month of each term.

The School can, through Houseparents, make cash advances to pupils; there is currently a charge of 10% for this service.

Should a direct debit or cheque be refused by the nominated or issuing bank, through no fault of the School, all discounts will be revoked and a surcharge of £40 will be added to the figure owing. The outstanding debt will become due immediately.

Please see the School's *Terms and Conditions* for further information about the payment of Fees and Extras. The School's *Terms and Conditions* are available on request from the Registrar.
