Texarkana Independent School District Guidelines for Out-of-State Enrollees 2024-2025

The following guidelines govern the application for and acceptance of out-of-state student enrollment.

Students residing out-of-state who wish to attend a TISD school shall apply for enrollment every year by completing a Student Transfer Application form. The form must be returned online, in person or by mail, to the TISD Welcome Center at 2208 Kennedy Lane, Texarkana, TX 75503. A student new to TISD must also complete the Additional Information Request Form.

Tuition Policy

Out-of-state enrollees may only be accepted for enrollment in TISD on a tuition basis. Acceptance is based on payment of tuition and space available at the campus, grade, and programs/services requested. Attendance and discipline records of applicants are also reviewed and considered. The standard tuition for the 2024-2025 year has been set at \$6,160.00 and may be paid in quarterly installments as follows:

Payment 1	Due August 5, 2024	\$1,540.00
Payment 2	Due October 11, 2024	\$1,540.00
Payment 3	Due January 6, 2025	\$1,540.00
Payment 4	Due March 3, 2025	\$1,540.00

(Tuition will be prorated on a daily basis for students entering after the first day of school.)

In the event the cost of education for the student exceeds the standard tuition, the student will not be enrolled in TISD unless the student's parent/guardian, or the school district where the student resides, assumes the financial responsibility of such cost and pays TISD in a timely manner.

Payments may be made in person at the TISD Welcome Center or mailed to:
Texarkana ISD Chief Accountant
4241 Summerhill Rd.
Texarkana, TX 75503-2733

Guidelines for Out of State Enrollees Continued

Important Dates

Transfer applications for 2024-25 will be accepted beginning April 1, 2024. To retain priority placement status, students enrolled in 2023-24 must reapply by April 30, 2024.

To allow staff adequate time to meet TEA reporting requirements and to prepare for and administer state assessments, enrollment applications will not be accepted during the following time periods for some or all grade levels:

- Two weeks prior to the TEA fall snapshot date. This applies to all students and covers the period October 14 to October 25, 2024.
- Transfer applications will not be accepted after the end of the fourth six weeks.

Campus Assignment Policy

Assignment to a particular TISD school will be determined based on space available and on the following basis in order of priority:

1. Student who attended the school during the prior school year and reapplied by the designated deadline.
2. Sibling(s) of a current student enrolled at the requested campus.
3. Student whose parent is a current full time employee of TISD.
4. Students enrolling within their attendance zone.
5. Date and time transfer application was received by TISD Administration Office.
6. Application and acceptance to the Martha & Josh Morriss Mathematics and Engineering Elementary School will be governed by regulation in place for that school.

The Superintendent may designate specific campuses or grade levels that will be closed to new enrollment applications due to projected space availability. Elementary enrollees are subject to campus reassignment for the first two weeks of the school year if class sizes exceed State limits.

Students must follow all rules and regulations of the District, including those for attendance, student conduct, and work habits. Violation of the District's rules and regulations may result in revocation of the transfer agreement. The effective date of the revocation shall be set in accordance with the written transfer agreement. Violation of the terms of the agreement may result in a transfer request not being approved the following year.

Students Requiring Special Needs or Additional Programs

If a child has special program needs, a central ARD or SIT meeting will be held to determine the type of programs/services that are needed as well as availability of these programs/services. A change in programs/services needed during the school year will require the transfer to be reevaluated to determine the availability of the needed programs/services.

Change of Resident Status During the Year

A resident student who becomes a nonresident shall be permitted to continue in attendance for the remainder of the school year only if a transfer request is submitted and approved. Approval will be based on a review of the availability of programs and services needed by the student, and a review of the student's attendance, behavior and work habits.
