- Get a good night's sleep
- Eat a healthy breakfast.
- Be Ready for school on time.
- Have a positive pep talk!

On March 11th, 2024, 15 seniors attended the Colony Brands Career Expo. At this three-hour Career expo, these students were exposed to general information about Colony Brands, their 60+ departments, and how they are a family owned company. The Career expo, the seniors rotated through five different employee departments. They listened to employee talk about the Creative/Photography design, Operations/Safety, Quality Assurance, Product Design/Brand Marketing and Integrated Marketing Service (IMS) Business Analytics and Data Science. The Colony Brands employees highlighted what their educational background/experience consisted of and what their job expectations at Colony Brands entail. The Colony Brands graciously provided lunch for the students and further highlighted several student programs. For attending this Career expo these 15 senior students will receive a \$350 scholarship. A huge shout out to Colony Brands for sharing their wealth of career knowledge with high school students and providing a positive career event to promote finding a future career that motivates them to be successful and excited to perform every day.

EASTER EGG HUNT

On March 16th we had our Easter Egg hunt! It was such a great morning filled with fun activities to celebrate Easter. We had a variety of stations for the students to spend their time at as well as meeting the Easter bunny! We finished the morning off with a great lunch from Papa Murphy's. Thank you to each kid who came and spent the morning with us we hope you had a great time!

EASTER POTLUCK

On March 27th we will have our Easter potluck to enjoy our last school day before spring break. We are looking forward to seeing everyone to have a nice meal before enjoying our break!

ALUMNI AUCTION

The Alumni Auction will be on March 30 at Powers Auction. We are looking forward to giving a helping hand throughout the day as the alumni support us and without their guidance and contributions we would not be able to do all we do!

CDE'S

March 21st we had fifteen members compete at Platteville in CDE's. We had an agronomy team, poultry, livestock, and wildlife team compete! Each of the teams will be receiving their results soon!

Warrior Nation...

I am honored to announce that I have been chosen to play in the WFCB All-Star Charity Football Game on July 20th benefiting Children's Wisconsin. Children's Wisconsin believes kids deserve the best, and I do too! In just the short time I have been involved with this group, I have learned so much about what they do, who they are, and how important it is to have Children's Wisconsin so close to us. The number of children and families they have supported already is incredible, but they know they can do more!!! Each player and coach on the team is asked to raise a minimum of \$750 for Children's Wisconsin, but I would love to double or even triple this amount!!! Your donation will support life-saving treatments, critical research, and community care that can change the lives of kids and families. My fundraising page is linked below or if you would rather make a check made payable to Children's Wisconsin, I can make sure they receive it!

Children's Wisconsin and football have a very common theme— we both believe and we know we can be **"Stronger Together."** In football, to reach our full potential as a team, we must all work together and we learned this fall how strong we can be by working together as a team...State Runner-Ups! What an incredible experience. I also know what a great community I live in and have witnessed many great acts of kindness growing up while attending Black Hawk Schools. Both the football team and our community, we rely on each other to be **Stronger Together**, not only when things are going well but also when someone is going through a difficult time due to health, an accident, or other reasons. The support everyone shows to one another is incredible and truly shows how awesome this community is.

I am very excited to play one more time to represent the Black Hawk-Warren Football team at the All-Star game in July. Please reach out to me if you have any questions or would like to attend the All-Star game on July 20th at UW-Oshkosh, I would love to share with you complimentary tickets on behalf of myself and Children's Wisconsin for your support! Thanks again!

Congratulations to Andrew Figi on being selected to play in the 2024 WFCA All-Star football game.

Andrew will play defensive back for the South Small School team. The game will be on Saturday, July 20, 2024, at noon. Each player also raises money for Children's Wisconsin.

Black Hawk Forensics on their way to State!

Congratulations to all members of the Forensics team for advancing to the WISDAA State Forensics competition to be held on April 19 in DeForest.

Their journey started with the Sub-district contest hosted by Black Hawk on February 19 where they all earned two qualifying scores of 16 or greater (out of 25) after three rounds. At the District contest in Barneveld on March 18, all team members qualified for the State contest by earning two scores of 21 or greater.

Special thanks to Mr. Behlke, Mason Schultz, the Forensics parents, administration, teachers, and janitors for their assistance on February 19, and to Mr. Duff and alumnus Marissa Monson for judging.

Iditarod 2024[®]

The 5th graders enjoyed keeping an eye on the Iditarod the first couple weeks of March. Each student had a musher to follow! We wrote letters, read some books, learned some of the rules (including being able to shoot a moose to protect oneself and their dog team...and then needing to properly gut it), and tracked them along their journey! It was fun to cheer in all the mushers to Nome, from the first to the Red Lantern winner! We didn't have snow this year to do any mushing of our own, but enjoyed a few other "snow day" activities!

Parents Club News!

Parent's Club meets in the upper commons at 6:00 pm on the 1st Thursday of the month (***we do NOT meet every month***), the rest of our 2023-2024 meeting schedule is as follows:

April 4th, 2024
May 2nd, 2024
subject to change

A few things you can do to support the Parent's Club throughout the year:

- **Scan your boxtops.** If you haven't downloaded the APP, please do so, it's a super easy way to help!

- The **Scrip** program, grab some gift cards for birthdays, weddings, showers, or just for yourself. It's a great opportunity to support the Parent's Club (keep a lookout, these sheets will be coming home in your child's backpack)!
- Keep an eye out for future fundraisers and activities! A great way to do this is to follow our **Facebook page** (Black Hawk Parent's Club)

A few fun things coming up:

- Keep a lookout (online and in bookbags) for fun **Spring Black Hawk items for sale** coming soon!
- **2nd annual Color Fun Run** (Date TBD)

As always, thank you for your support! We cannot do our part in providing the things we do for our faculty and students if not for your support!

Recycling and Other Dumpsters

(Dumpsters are located next to Riechers Meats)

As always the staff and Board thank everyone who has donated to the metal/aluminum can drive. The funds have proven to be beneficial to the staff and students of the school district. The district greatly appreciates the efforts of Powers Auction Service in providing this opportunity.

A couple of notes that we would like to make:

- Please do not place items with Freon/coolant in the recycling dumpster
- Please do not place TV's or Computer/Related technology in the dumpster
- Please do not place trash in the recycling dumpster
- The other dumpsters (serviced by Faherty) are for school uses only

We do appreciate the donations. Improper use of the dumpsters costs the district and may result in a net loss.

Sincerely, Willy Chamber

Regular Meeting

February 14, 2024

The meeting was called to order by President Dee Paulson at 6:00 pm in the Business room.

The following members were present Jim Baumgartner, Mindy Stauffacher, Clayton

Ruegsegger, Dee Paulson, Jason Figi, Kerry Holland, and Val Dunlavey. Also present was the Administration of Wily Chambers, Cory Milz, Eric Erickson, and 6 guests.

Motion by Figi and seconded by Baumgartner to consent to agenda. Motion carried on a voice vote,

Administration Reports:

Chambers: I am currently working on getting the gym floor refinishing set up for this summer. We are considering switching back to Coogan who we used before the floor was replaced. We have not seemed to have much luck with resolving the peeling issue.

This Friday is a professional development day. The plan is to have Brian Kenney work with staff on team-building activities, laser engraver training, and some work time.

I have included the estimate to install the huddle camera. My understanding is that the Booster Club intends to cover the cost of installation.

Or insurance brokers, M3 Insurance, have been working through an RFP for our health insurance. They received three bids. Quartz, Dean, and Anthem all provided bids. The CESA #3 Cooperative met and looked at all options, even though the vote is not final all present supported staying with Quartz. The proposal from Quartz is a 0% increase for this year, a not to exceed 5% for next year, and a not to exceed 6% for the following year. Anthem would not provide any not to exceed guarantees and Dean would do it for only one year.

I hired Chris Stewart for the part-time aide position. If you want me to put this on the agenda for the next meeting please let me know. You gave me approval to hire a position if needed, so I am not sure if you feel you want to do more as a Board.

Milz: 1. Congratulations to Makayla Curran and Reese Smith, both 8th graders for finishing in the top 2 in our Scripps Spelling Bee and competing at the CESA 3 Regional Scripps Spelling Bee in Fennimore on January 24.

2. Ben Mau, from the Madison area laborers union, presented to interested students to give them information about employment opportunities with his union, but also to talk to them about other union apprenticeships and benefits associated with joining a union.

3. Middle school Valentine's Dance is coming up on Thursday, Feb. 15. We want to thank Ms. Kammes and the M.S. student council and the members of the Parent's Club for providing all of the decorations, beverages, and snacks for our middle school students.

4. We want to thank the elementary room parents and the members of the Parent's Club for sponsoring our elementary Valentine's Day parties, which are taking place on Feb. 15.

4. Today, Feb. 14; Brian Kenney worked without freshman and sophomore students on the teambuilding activities to try and help students build stronger class relationships and enhance their communication skills with one another. He will also be working with our staff on Friday, Feb. 16 with team-building activities in an attempt to further enhance camaraderie and communication amongst our staff.

5. Feb. 19 - we are hosting a sub-district Forensics competition here at Black Hawk. Competitors from SW WI will be in using our classrooms starting at 3:45 p.m. There is limited seating for spectators. We have 4 senior girls, 3 sophomore girls, 2 freshman girls, and 1 sophomore boy on the Forensics team this year.

6. Middle school students will be taking their annual ski trip on Friday, Feb. 23. We thank everyone who supports our Butter Braids and cookie dough sales to continue to make this a viable tradition for our students.

7. Mr. Behlke, a business teacher, will be taking senior and junior students on a tour of Epic Systems in Verona on Feb. 26.
 8. Gary Cooley and Tom Martin, SW Tech., will be meeting with juniors and sophomores to discuss the requirements for 2024-25 Youth Apprenticeships/concentrators, and School to Work programming on March 4.
 9. On March 6, Mrs. Wolff will be taking some of our students to compete in the Six Rivers mathematics competition, hosted by Monticello H.S. this year.
 10. This week is National School Bus Drivers Week. We honored our drivers with a \$50 Cenex gift card and elementary school student thank you notes. We appreciate the job that all of our drivers do for our district.
- Erickson:** Winter sports are winding down. Our girls received the #7 seed in the basketball tournament and will host Shullsburg on Tuesday.

Owen Seffrood and Ashlynn Eckerman will be competing in the sectional wrestling tournament on Saturday for an opportunity to qualify for the state tournament. Owen is undefeated and was the conference champion. Ashlynn

Boys basketball will conclude its regular season play next Thursday against Juda. The seeding for their tournament will come out on Sunday. There is an extremely slim chance that we would host a tournament game.

I am still collecting information from students to be certain they have all their awards that they have earned. Some athletes have not received any and are seniors.

Softball coach update: There are two people who were interested in the softball position we had posted. I, along with Heidi Ganshert, the Argyle AD and Softball coach interviewed one of them. Heidi has worked with and we had hired last year, the other. In my communication with Heidi, she had said she would hire both of them.

Boys Basketball 2024-2025 has a complete schedule and all officials hired
Girls Basketball 2024 -2025 has some holes in the schedule.

Coop conversation - During the MS fall basketball season, I had expressed concern about the number of girls we had participating in the program. We recruited some 6th graders so that we could have a team. The HS numbers were also going to be low although a couple of girls came out and we thought that may help for this year. If everything were to remain "as is", we could support a varsity team next year but a JV team will be a stretch. In November, I started reaching out to all of our neighboring districts to see if a coop conversation would be entertained. Monroe -no, Warren - not interested at this time, Darlington - let's talk, Argyle - let me ask, Shullsburg- no. We will need to find a solution soon.

All conference meetings are coming up and spring sports begin over the next 3-6 weeks.

Public comment was called for none.

Talked about doing a board employee Dinner and Kerry Holland expressed that Kerry and Jenny will be doing a scavenger hunt on April 20 at /the Village Inn. The Board is okay with doing a board employee dinner after the scavenger hunt. Kerry will look at setting up a menu.

Board Summary of Convention Dee, Jim, and Jason gave a brief overview of what happened.

Black Hawk Warren Girls Basketball Coop- was talked about and we are behind the date thought was maybe look at it sooner for the following year. Must be approved by February 1st. Mr. Chambers stated that it was only done every other year so they were on the same schedule so we would have to wait until 2026 to approve. Question was then raised as Argyle- Pec was just done for this year. Chambers will check into it.
