

Phonics – revising known phonemes

Week 1	ay play a-e shake ea each e he
Week 2	ie pie i-e time o go o-e home
Week 3	ue blue rescue ew chew new u-e rude cute aw claw
Week 4	ea head ir bird ou cloud oy toy
Week 5	i tiger a paper ow snow u unicorn
Week 6	ph phone wh wheel ie shield g giant

English – Poems Out and About

This half term our English will be based on the text 'Poems Out and About' by Shirley Hughes, a poetry book about the seasons which are seen from a child's eye view. We will be exploring and responding to poetry, learning about rhythm, rhyme and patterns in poetry creating our own poems to make a class book of poems.

RE Easter and caring for others

We will be continuing our learning about Easter and begin learning about how we can be kind to each other and look after one another. Children will learn about kindness and the importance of caring for others, by exploring the values of different religions.

PSHE

We will be focusing on the core themes of relationships learning about fairness, family and friends and special people. Living in the wider world and caring for plants.

Maths

In maths we will be learning about length and height, comparing lengths and heights using objects and cm. Mass and volume, using the vocabulary of full, empty, heavier and lighter. Multiplication and division, focusing on 2's, 5's and 10's using arrays. Fractions finding half and quarters of shapes and quantities.

Year 1 Curriculum Overview- Summer 1

Science – Scientists and Inventors

Through our science learning we will be finding out about inventions such as Lego and the wind turbine. Learning about the life and work of inventors such as, Mae Jemison, Louise Pasteur and Charles Macintosh and the work of Vets.

Computing – Creating digital media

The children will develop their understanding of the various aspects of using a computer to create and manipulate text. They will become more familiar with using a keyboard and mouse to enter and remove text.

Geography – Local Area

Through our geography we will be recording with images and digital cameras what we have seen, mark the location of the school on a simple map and describe different types of buildings.

Physical Education (PE) – physical skills

The children will develop and apply their sending and receiving skills through focused skill development sessions and games.

Art

We will be looking at flowers and showing control when drawing what we can see, we will be mixing colours and using water colours, finding out about patterns and shapes and making our own images based on our class text 'Poems Out and About'.

Music – Numbers

Through our music learning the children will recognising and developing a sense of steady beat through using voices and body percussion. Identifying and performing changes in tempo. Learning to play percussion with control and musical effect.
