

Autism Awareness and Acceptance

April has been designated as World Autism Acceptance Month! We will be displaying our infinity symbols in the main hallway to show how supportive we are of this worthy cause. If you'd like to contribute, please design and cut out the symbol below and return to the main office by April 8th.

Donations for each symbol are \$1.00.

All donations collected will benefit POAC, a nonprofit organization which makes a true difference throughout the state of NJ to provide fun events for those with ASD and their families. In addition, they provide training and support for families, educators, police officers and first responders. Thank you for your support!

FEEL FREE TO MAKE IT AS COLORFUL AND DECORATIVE AS YOU WANT!

PENNY WARS

Dear Eisenhower Families,

This April we are participating in grade-level Penny Wars to raise money for Parents of Autistic Children (POAC) during Autism Acceptance Month. Each grade will compete against each other to determine who can raise the most funds! We are accepting **all coins**. This is completely voluntary and anything provided is greatly appreciated! We will collect coins until April 30th. Thank you in advance for your support!

Sincerely,

The Autism Awareness and Acceptance Committee
