FINANCIAL ASSISTANCE

German International School New York has limited funds for tuition assistance in case of financial hardship. Tuition assistance is based on the family's financial evaluation by **School and Student Service for Financial Aid (SSS)** in Princeton, NJ (income and number of siblings are considered in the evaluation process). Current and new families must file an application electronically (<https://sssandtadsfa.force.com>) by April 15 together with the applicant's complete tax return (Form 1040 with all applicable schedules and forms as well as a signed IRS Form 4506 "Request for Copy of Tax Return"). Form 4506 can be downloaded from the IRS website at www.irs.gov. A supporting letter for tuition assistance can be submitted to the **Tuition Assistance Committee**, c/o German International School New York. The Tuition Assistance Committee can finalize tuition assistance only after receipt of SSS recommendations. Applications for financial assistance must be filed on an annual basis. Please contact the Business Manager for further details.

TUITION REFUND POLICY

The tuition is non-refundable. However, when special hardship cases occur, the school might consider refunding part of the tuition. A written application should be submitted to the Business Manager.

MEMBERSHIP IN THE GERMAN INTERNATIONAL SCHOOL NEW YORK CORPORATION

Parent(s)/legal guardian(s) of a **new** student will become members of the GISNY Corporation upon submission of the school contract unless membership is expressly declined in writing during the initial year. Membership in the Corporation shall be for life unless otherwise terminated. Annual dues of \$60.00 per person will be invoiced separately. If you would like to opt out of becoming a member of the corporation, please complete and submit the [opt-out form](#), found on our website under "Forms".

If parent(s)/legal guardian(s) initially opt out of becoming a member of the corporation, a written application must be submitted and approved by the Board of Trustees.

TRUTHFULNESS OF INFORMATION

Parent(s)/legal guardian(s) affirm that all of the information provided to the School in the Student's application for admission, in this Contract, and throughout the application and enrollment processes is truthful, accurate, and complete in both content and representation, and that it is parent(s)/legal guardian(s)'s duty to update the school of any material changes to the information provided while the student is enrolled at the School. Parent(s)/legal guardian(s) further understand and agree that if any such information is found to be false, misleading or inaccurate, or if it is found that material information was omitted, the Student may be subject to dismissal.

COMPLIANCE WITH SCHOOL POLICIES

By executing this Contract, the undersigned parent(s)/legal guardian(s) agree that they and the student will abide by the School's rules, regulations, policies, and codes of conduct and character, as may be adopted or amended from time to time, including but not limited to the School's immunization policy and any other health-related policies and its acceptable technology policy. Parent(s)/legal guardian(s) acknowledge that the School reserves the right, in its sole discretion, to dismiss or otherwise discipline any student who does not meet the behavioral and/or academic standards of the School, or whose conduct at any time or place interferes with the School program or operations or brings discredit to the School. The administration, teachers and staff may take all action necessary to ensure the operation of the School in all matters as it may apply to the student. Parent(s)/legal guardian(s) understand that this may mean the removal of student for reasons not explicitly set forth herein; the School retains the discretion to make decisions with regard to its student population, including the removal of students if such removal is determined by the School to be in the School's and/or student's best interest. The parent(s)/legal guardian(s) agree that they and the student will read carefully all written policy documents created by the School and agree to abide and support the requirements and guidelines outlined in any such publications.

Parent(s)/legal guardian(s) can find links to select School policies on the website; however, the School reserves the right to change, alter, delete, amend, or add to these policies, from time to time, within its sole discretion.

Parent(s)/legal guardian(s) understand that the School Rules and Regulations ('Rules') set forth general expectations regarding the student's enrollment in the School, but that the Rules do not constitute a contract between me and the school or the student and the school, and that the school may deviate from the guidelines and expectations set forth in the Rules in its discretion as individual circumstances may warrant. The school may alter, interpret, and implement its rules, policies, and procedures, including those in the Rules, at any time. In the event of a conflict between the terms of this Contract and the policies and provisions of the Rules, the terms of this Contract shall govern.

PARENT COOPERATION

The School may take all action necessary to ensure the operation of the School in all matters as it may apply to the student. A positive, collaborative, and constructive relationship between the School and parent(s)/legal guardian(s) or other individuals interacting with the School and/or School community by virtue of their relationship with the student is essential to the mission of the School. The school reserves the right to dismiss the student from School, School activities, or School functions, or to take other such restrictions or actions, at the sole discretion of the School, if the behavior, communication, or interaction on-campus, off-campus (including during School-sponsored events), or through digital or electronic means (including social media) by parent(s)/legal guardian(s) or other individuals interacting with the School and/or School community by virtue of their relationship with the student is disruptive, intimidating, overly aggressive. This also includes interactions that reflect a loss of trust or serious disagreement with the School, including but not limited to disagreement regarding decisions, strategies, policies, procedures, responsibilities, delivery of the program, personnel, leadership or standards. To the extent that the parent's/legal guardian's behavior, communication, or interaction jeopardizes the accomplishment of its educational purpose or program, threatens the health safety or well-being of another member of the school community, or inconsistent with commitments shared by members of the community, parent(s)/legal guardian(s) understand and agree that the School will take such action as it deems appropriate. In addition, parent(s)/legal guardian(s) understand and agree that the School has the right to place restrictions on the parents'/legal guardians' or other affiliated individuals' involvement with or activity at the School, on School property, or at School-related events, if such parent(s)/legal guardian(s)/individual(s) engage in behavior that the School determines in its sole discretion to warrant such a restriction.

STUDENT USE OF THIRD PARTY ONLINE PLATFORMS, APPS, AND ONLINE SERVICES

All grade levels have access to the Internet. The school additionally contracts with a variety of third-party software programs, apps, and online services that may collect personal information from students in order to provide services used by the School and our students. These services are governed by their own privacy policies. These services are available on devices to support effective communication, collaboration, and creativity while strengthening technology skills. Often, students are required to register by providing personal information such as a name, email address, and sometimes a student ID. The School has consented to such collection of personal information on behalf of parents and guardians. In addition, as a parent or guardian of a GISNY student, parent(s)/legal guardian(s) consent to these services collecting personal information from your child(ren) by agreeing to the GISNY Rules. For a regularly updated list of the software programs, apps, and online services approved for use at GISNY and links to the privacy policies offered by these third parties, please visit <https://www.gisny.org/privacy-policy-2>.

PHOTOGRAPHS

Unless parent(s)/legal guardian(s) provide the School with written notice otherwise, parent(s)/legal guardian(s) give the School permission to use the following, without restriction or compensation, in the School's publications and on the School's website or social media sites, as well as in publications, websites, and social media sites of the School's partner schools, including but not limited to for promotional uses: (i) digital, photographic, video, and audio recordings or images or likenesses of the student; and (ii) statements, written extractions, articles, music, art, films and videos created by the student, or including the student or the student's image or likeness, or otherwise originating from the school or from school-related activity. Such authorization survives the term of this Contract and serves as authority to use such material both during and after the student is enrolled at the School.

When students appear on the school website, in the media gallery, on our social media, and/or in print and digital marketing materials, they are NOT named or given any other personally identifiable information. In the event the School would like to include the student's name along with a photograph, for example, to personally recognize the student on the School website for an achievement, written consent from the parent(s)/legal guardian(s) will be obtained in advance. Student names will be used in the printed school Yearbook that is given to all students at the end of the school year.

If parent(s)/legal guardian(s) do not want GISNY to use photographs of their child, they must complete and submit the [Photo opt-out form](#) found on our website under "Forms". Failure to exercise this option releases and discharges GISNY from any and all claims arising out of the use of photographs or any right that the parent(s)/legal guardian(s) or minor may have. If parent(s)/legal guardian(s) wish to take pictures and videos of events held at our program, they may only photograph and record their own child, unless written permission is given by the other parent(s)/legal guardian(s).

TRANSPORTATION OF STUDENTS

German International School New York does not provide transportation for students to and from school, nor can it assume any responsibility for transportation.

German International School New York has made a commitment to the City of White Plains to implement a Traffic Management Plan, TMP. The goal of the Traffic Management Plan is to control the number of private vehicles entering and leaving the school premises. For this reason, the School requires each student who qualifies to use the public school bus system of the school district of residence to actually use this form of transportation to and from School.

If public school buses are available, other means of transportation are not permitted. Therefore, parent(s)/legal guardian(s) must contact their respective Board of Education for details and an application.

For students from Manhattan, a group of parents has privately organized bus transportation through a third-party bus company, which bills the parents directly. Such private bus transportation is the responsibility of the parent(s)/legal guardian(s).

For those students who do not qualify for the public school bus system, the School reserves the right to request that car pools be organized. Parents who use taxis, buses or car pools in transporting their children to and from school are responsible for all such arrangements and should exercise such supervision of the details as is necessary. Details can be found in the "Building and School Grounds Regulations" which is part of the School Rules and Regulations ("*Schulordnung*").

ACTIVITY PERMISSION, ASSUMPTION OF THE RISK AND RELEASE

Parent(s)/legal guardian(s) authorize and give permission for the student to attend and participate in all aspects of the educational experience and school activities, including on campus, distance learning and off-campus activities, travel, transportation, field trips, sporting events, and other school-sponsored travel and/or activities (“Activities”).

Parent(s)/legal guardian(s) understand that the School will have adults participate in on-campus, off-campus, or distance learning activities, who will attempt to exercise reasonable diligence to ensure the safety and well-being of students during their participation; however, parent(s)/legal guardian(s) also understand that it is not possible for the School to supervise all aspects of the Activities at all times. Parent(s)/legal guardian(s) understand that there are inherent risks of illness, serious personal injury and loss, theft or damage of personal property involved in some Activities, and parent(s)/legal guardian(s) voluntarily assume and accept such risks of illness, personal injury and loss, theft or damage of personal property arising from student’s participation in the Activities. Parent(s)/legal guardian(s) release the School, its Trustees, employees and agents (the “Released Parties”) from all claims, liability and damages that parent(s)/legal guardian(s) or student may have for illness, personal injuries or property damage, loss or theft resulting from student’s participation in the Activities. Parent(s)/legal guardian(s) agree that this release includes personal injury or loss, theft or damage of personal property caused by or resulting from negligence, active or passive, of the Released Parties; however the release does not apply to liability for gross negligence, willful injury, or fraud, and is not intended to release the School’s insurers, if any, or non-agent third parties of any responsibility for any claims that may otherwise be asserted. Parent(s)/legal guardian(s) agree to reimburse and indemnify the School and its agents for any costs and expenses incurred in providing for the student’s return home as well as for other services related to the special or emergency needs of student. Parent(s)/legal guardian(s) represent that all medical problems which might affect student’s participation in the Activities have been fully disclosed in the student’s current medical authorization form. Parent(s)/legal guardian(s) also agree that the School has the right to substitute transportation and change off-campus activity itineraries as it deems appropriate.

Parent(s)/legal guardian(s) hereby agree, on behalf of themselves and the student, to hold harmless and indemnify (that is, defend and pay, including costs and attorneys’ fees) the Released Parties from liability for any claim, including damage to property or personal injury or illness, of any third party (including other students) arising from or in any way related to the student’s enrollment in the School. This indemnity includes claims arising from negligence (excluding gross negligence or intentionally wrongful conduct) of the Released Parties.

COMMUNICABLE DISEASE WAIVER AND RELEASE OF LIABILITY

Communicable diseases, including without limitation COVID-19, the flu, and RSV, are extremely contagious and are spread by person-to-person contact; and, as a result, may spread at a higher rate in community settings, such as schools. The School has implemented reasonable preventative protocols, policies and procedures designed to reduce the spread of communicable diseases. Students and their families are expected to adhere to these protocols in order to reduce the risks of contracting or spreading communicable diseases at the School.

Despite the measures in place to mitigate the risk of transmission of communicable diseases on campus, there are inherent risks that students and/or their families may become infected with one or more communicable diseases due to the Student’s presence on campus. These risks include, but are not limited to, the following: exposure to a communicable disease, becoming infected with a communicable disease, or becoming a symptomatic or asymptomatic carrier of a communicable disease. Any person who contracts a communicable disease, including a student or their family member, may encounter medical care, hospitalization, other potential complications, and the risk of death. By allowing their child to come to campus for any reason, parent(s)/legal guardian(s) understand, acknowledge, and voluntarily assume these risks on behalf of themselves and their student.

Parent(s)/legal guardian(s) understand that the student’s presence on campus creates the risk that Parent(s)/legal guardian(s) and/or the student could be exposed and or contract a communicable disease. By signing this

Contract, parent(s)/legal guardian(s) release the Released Parties, from all claims, liability and damages that parent(s)/legal guardian(s) or student may have for personal injuries, illnesses, medical expenses, theft or damage of personal property, or other loss resulting from student's presence on campus. Parent(s)/legal guardian(s) agree that this release includes personal injury, illness, medical expenses, or other losses caused by or resulting from negligence, active or passive, of the Released Parties; however, the release does not apply to liability for gross negligence, willful injury, or fraud, and is not intended to release any of the Released Parties' insurers, if any, or non-agent third parties of any responsibility for any claims that may otherwise be asserted.

EMERGENCY INFORMATION AND AUTHORIZATION

In order to assist the School in attending to the health and safety of the student, the parent(s)/legal guardian(s) must provide the School with a full and complete description of any health condition(s) or medical restriction(s) that the student may have. The School will make every reasonable attempt to contact a parent or legal guardian in the event of a medical emergency. By executing this Contract, parent(s)/legal guardian(s) authorize the School, its employees, agents and chaperones (e.g., trainers, school nurses, team physicians) to: (a) accompany the student to a medical facility; (b) authorize treatment of the student by licensed medical personnel; (c) authorize and permit a nurse or other first aid or safety personnel to administer first aid or other treatment to the student; (d) take any other actions reasonably necessary to treat the student in the event of a medical emergency; and/or (e) to use and/or disclose pertinent health information to appropriate school representatives charged with the supervision and care of the student, other health care providers for the treatment of any injury or health condition that may arise at school or during school-related activities. Parent(s)/legal guardian(s) agree that any medical insurance that covers the student will be the primary insurance coverage for any such treatment.

IMMUNIZATIONS, INFECTIOUS AND COMMUNICABLE DISEASES

Parent(s)/legal guardian(s) agree to comply with the School's infectious and communicable disease policy and to follow and comply with instructions and other directions established by the School. Parent(s)/legal guardian(s) understand that this includes, but is not necessarily limited to, compliance with the School's policy regarding required immunizations, testing for communicable diseases, as well as providing the School with required health records and other such documentation. Failure to follow and comply with instructions and other directions established by the School may serve as grounds for removal of a student.

REPRESENTING THE SCHOOL

Parent(s)/legal guardian(s) understand and agree that neither the parent(s)/legal guardian(s) nor the student is authorized to speak on behalf of the School, represent the school or otherwise suggest that their statements, opinions or positions are those of the school, or encourage others to do so, without the express permission of the Head of School or other school personnel authorized to grant such permission. This includes, but is not limited to, making statements, photos, and other representations either publicly or privately, whether for a school-related or non-school related purpose or reason, by any and all means of communication, including but not limited to posting on internet blogs, social media, or providing statements to the press. Violations may result in the student's dismissal from the school and or other consequences as deemed appropriate in the sole and exclusive discretion of the school.

SCHOOL PROGRAMS AND STUDENT'S INDIVIDUALITY

Parent(s)/legal guardian(s) acknowledge that their execution of this Contract is not contingent upon any particular program, curriculum, employee, or enrollment level, and understand that the School retains the right to change the school's programs, curriculum, method of program delivery or workforce at its discretion. Parent(s)/legal guardian(s) further understand that, while the school remains committed to the academic excellence and the personal growth of each of its students, the students have varying skills, talents, and capabilities. By entering into this Contract, parent(s)/legal guardian(s) understand that the school cannot guarantee the academic success or

social readiness of any individual student and that the school does not guarantee that the Student will succeed in meeting the School's minimum performance standards. While the school provides limited student support services, the parent(s)/legal guardian(s) also understand that the school is not responsible for learning and social diagnostic services and evaluation, and that by entering into this agreement, the parent(s)/legal guardian(s) hold the school harmless for any such services that it does provide to the student.

ACCOMMODATIONS AND/OR EXTRA SERVICES

The School reserves the right to establish the required curriculum and make decisions in accordance with German law, United States federal law and New York State law, in its sole and exclusive discretion, related to the implementation of teaching and testing plans, methods, and schedules. Further, the school likewise reserves the right, in its sole and exclusive discretion, to determine whether any learning and/or testing accommodation requests will be granted, including but not limited to requests for extended test-taking time or other alternate test-taking procedures. Such decisions will be within the sole purview of the school and shall be made based on evaluation of necessary medical information, and assessing whether the accommodation constitutes an undue burden or fundamentally alters the educational program, consistent with applicable law.

By executing this Contract, parent(s)/legal guardian(s) acknowledge and agree that they may be responsible for any additional costs or fees incurred in the School's provision of extra services, including but not limited to SLP/OT or tutoring.

STUDENT EVALUATION

At times the school may recommend or require that a student be evaluated, including but not limited to psychoeducational and mental health evaluations, in order to best provide an appropriate education and support for the student. Parent(s)/legal guardian(s) are expected to cooperate and work collaboratively with the school to arrange for the student to receive any such evaluation. If the parent(s)/legal guardian(s) fail to comply with the school's requests for an evaluation or additional services, it compromises the school's ability to provide an appropriate education and may interfere with the learning of other students in the class. Failure to comply with such requests may result in the removal of the student.

CONSENT TO RELEASE

Parent(s)/legal guardian(s) and the student understand and agree, as a condition of continued enrollment, to consent to the release by the school of any of the student's health related information, psycho-educational testing, and other information relating to drug treatment, testing, counseling, medical and mental health records, to employees or agents of the school, as determined by the Head of School or their designee, to meet the medical or safety needs of the student, the school community and/or the legal responsibilities of the school.

The school will maintain appropriate administrative, technical, and physical safeguards to protect the security of all medical, health and counseling related information within its care or custody. While it is the obligation of the school to safeguard student medical information, the school must also balance matters of privacy and confidentiality with safeguarding the interests and well-being of its students and community. Thus, to serve the best interests of the student and/or the School community, parent(s)/legal guardian(s) and the student consent to allow those employees and agents of the school who have a need to know medical and/or psychological information access to such information. In the event of a disclosure required by law, every effort will be made to notify the parent(s)/legal guardian(s) and/or the student in advance. Parent(s)/legal guardian(s) will also agree to grant permission for school representatives to communicate and exchange information with outside counselors or providers, if requested by the school.

DIVORCE AND CUSTODY ARRANGEMENTS

It is the responsibility of parents and legal guardians to ensure that the school is informed of and has accurate information regarding any issues related to custody of the student, access to student records, or other arrangements that may affect the interactions between the school, the parent(s)/legal guardian(s), the student, and any other adults. Parent(s)/legal guardian(s) will be expected to provide a copy of such court documents, orders, or settlement agreements to the school.

COST OF PARTICIPATION IN COURT OR OTHER LEGAL PROCEEDINGS

If the parent(s)/legal guardian(s) fail to make any payment under this Contract when due, and the School undertakes collection efforts to collect the payment (including but not limited to efforts in-house, with the assistance of third parties, or through legal action), the parent(s)/legal guardian(s) agree to pay all expenses incurred by the School, including collection costs and/or the School's attorneys' fees and any other related costs.

In all other legal actions arising under this Contract between the School and the parent(s)/legal guardian(s), the non-prevailing party shall pay the reasonable attorneys' fees and other costs and expenses of the prevailing party in such amount as they may be determined. In addition, such non-prevailing party shall be responsible for any reasonable attorneys' fees incurred by the prevailing party in enforcing, or on appeal from, a judgment in favor of the prevailing party. Notwithstanding anything in this Contract to the contrary, the provisions of the preceding sentence are intended to be severable from the balance of this Contract, shall survive any judgment rendered in connection with the aforesaid legal action, and shall not be merged into any such judgment.

If, as a result of the School's relationship with the student, the parent(s)/legal guardian(s), or other persons interacting with the School and/or School community by virtue of their relationship with the student, the School or any member of its faculty or staff is required to testify, provide information for, or otherwise participate in a legal dispute to which the School is not a party, the School shall be entitled to recover from the parent(s)/legal guardian(s) the School's attorneys' fees and costs incurred in such legal action and costs incurred by the School as a result of the collection of documents, coverage of faculty, staff or others absent from classrooms or other School responsibilities or other associated costs.

MISCELLANEOUS

This Contract represents the full and complete agreement between the School and the parent(s)/legal guardian(s) regarding the student's enrollment or reenrollment at the School during the 2024-2025 School Year. This Contract supersedes all prior negotiations, agreements, terms, conditions, statements, or representations, whether written or oral, concerning the subject matter of this Contract. This Contract may not be altered, amended, modified or otherwise changed except in writing, signed by the School representative and the parent(s)/legal guardian(s). Invalidity or unenforceability of one or more provisions of this Contract shall not affect any other provision of this Contract and the remainder of this Contract shall remain in full force and effect. Failure of either Party to enforce any provision of this Contract does not prevent the Party from enforcing any other provision of this Contract. This Contract is subject to the laws of the State of New York. The parent(s)/legal guardian(s) consents that the courts located in the State of New York have the sole and exclusive jurisdiction in any action arising out of or relating to this Contract.
