SARC INFORMATION

Every school in California is required by state law to publish a School Accountability Report Card (SARC), by February 1st of each year. The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all Local Educational Agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in a LCAP is to be consistent with data reported in the SARC.

- Visit the CDE CDE SARC webpage at http://www.cde.ca.gov/ta/ac/sa/, for more information about SARC requirements.
- Visit the CDE LCFF Webpage at http://www.cde.ca.gov/fg/aa/lc/, for more information about the LCFF or LCAP.
- For additional information about the school, parents and community members should contact the school principal or the district office.

DATAQUEST

DataQuest is an online data tool located on the CDE DataQuest Web page at http://dq.cde.ca.gov/dataquest that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

CALIFORNIA SCHOOL DASHBOARD

The California School Dashboard (Dashboard) reflects California's new accountability and continuous improvement system and provides information about how districts and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of districts, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement. The Dashboard can be accessed at
https://www.caschooldashboard.org.

SCHOOL PROFILE
The Santa Barbara County Education Office (SBCEO) serves students in the Juvenile Court and Community Schools (JCCS). At any given time, the SBCEO JCCS program serves up to 100 students. The Juvenile Court Schools include Dos Puertas School located in the Santa Maria Juvenile Justice Center and Los Robles High School located on the campus of the Los Prietos Boys Camp. JCCS operates one Community School on behalf of neighboring districts: Peter B. Fitzgerald Community School serving Santa Maria. The majority of the students served by JCCS are designated as English learners and/or low socio-economic. Approximately a quarter of students are identified as students with special needs. JCCS served a small number of foster youth in group homes. The JCCS programs work collaboratively with Santa Barbara Probation Department, Santa Barbara County Department of Behavioral Wellness Care and Recovery System, Council on Alcoholism and Drug Abuse (CADA), and other community-based partners to ensure consistency in the support of students and families while enrolled in one of the court and/or community schools.

The community schools serve and support students in grades 7 through 12. Our focus, along with career and college readiness preparation, is mainly on credit-recovery with the goal of seeing our students successfully return to their school of residence as soon as possible. We help students and families understand the credits needed for graduation and create an Individualized Learning Plan (ILP) for each student to include credit recovery when needed. The curriculum, depending on student needs, ranges from grade-level texts, English Language support, special needs support, intervention support in reading and math, on-line coursework, and other credit recovery or remedial support.

MESSAGE FROM THE ADMINISTRATOR
Our goal is to provide the coursework and supports that will allow our students to successfully return to their school of residence. We also provide in-house counseling support for our students. Some students may remain longer or graduate from our program if they are unable to return to their home school district in their fourth year of high school. Our school supports a variety of students: those who have been expelled, are in need of credit recovery, or those who may need a smaller classroom environment without the social pressures found in a traditional school setting. We continue to seek out partnerships within our community that offer support and benefits to our students. Our community schools continue to be a special place where students can get a quality education in an alternative setting.

SCHOOL FACILITIES

About the Facilities

Santa Barbara County Juvenile Court Schools provide safe environments for student learning. The two facilities that house the court schools provide adequate space for students and staff.

The Santa Maria Juvenile Justice Center

Dos Puertas School in The Santa Maria Juvenile Justice Center was built in 2005. Facilities span 7,200 square feet, and include permanent classrooms and staff rooms.

Los Prietos Boys Camp

Dos Puertas School at Los Prietos Boys Camp was built in 1948 and spans 5,000 square feet. It has permanent classrooms, office space, a gymnasium, and a multipurpose room.

Maintenance, Cleaning, and Repair

These facilities are owned, operated and maintained by the Probation Department, County of Santa Barbara. Santa Barbara County is responsible for maintenance and repair.

Cleaning Process and Schedule

The Santa Barbara County Education Office has adopted cleaning standards for all schools in the county. A summary of these standards is available at the school office or at the County office. The county employs Custodians.

PUPIL ACHIEVEMENT AND OUTCOMES
The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):
- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

CALIFORNIA ASSESSMENT OF STUDENT PERFORMANCE AND PROGRESS
The California Assessment of Student Performance and Progress (CAASPP) is a collection of tests used statewide to provide teachers, students and parents with information about how students are doing in school. The assessment system utilizes computer-adaptive tests and performance tasks that allow students to show what they know and are able to do. Summative assessment results include student scores, achievement levels, and descriptors that describe performance. Information regarding the CAASPP test results of mathematics for each grade and achievement standards can be found on the CDE CAASPP-ELPAC Results website at https://www.caaspp-elpac.cde.ca.gov/caaspp/. The CAASPP System consists of the following assessments:
- Smarter Balanced English language arts/literacy (ELA) and mathematics
- California Alternate Assessments for ELA, mathematics, and science
- California Science Test (CAST)
- California Spanish Assessment (CSA)
- Smarter Balanced Interim Assessments
Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.
Note: The value "N/T" indicates that students were not tested, and therefore no scores are available at this time.

ASSESSMENT RESULTS
The table displays the percent of students who met or exceeded state standards in English Language Arts/Literacy (grades 3-8 and 11), Mathematics (grades 3-8 and 11), and Science (Grades 5, 8, and high school).
To protect student privacy, results are not publicly available when a student group has ten or less pupils.

COLLEGE ENTRANCE REQUIREMENTS
- University of California (UC)
Admission requirements for the UC follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college course work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admissions requirements, please visit the UC Admissions Information website at https://admission.universityofcalifornia.edu/.
- California State University (CSU)
Eligibility for admission to the CSU is determined by the three factors of specific high school courses, grades in specified courses and test scores, and graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses have local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For admission, application, and fee information, see the CSU website at https://www2.calstate.edu/.

UC/CSU COURSE COMPLETION
Students are encouraged to take University of California/California State University courses if they plan to attend a four-year university. All students must pass each course with a grade of "C" or better each semester.

OTHER OUTCOMES
The SARC provides the following information relevant to the Other Pupil Outcomes State Priority (Priority 8):
- Pupil outcomes in the subject area of physical education

PHYSICAL FITNESS ASSESSMENT
In the spring of each year, all California schools are required by the state to administer a physical fitness test to students in the fifth, seventh, and ninth grades. The physical fitness test is a standardized evaluation that measures each student's ability to perform fitness tasks in five major areas. The five major areas are Aerobic Capacity, Abdominal Strength and Endurance, Extensor and Strength and Flexibility, Upper Body Strength and Endurance, and Flexibility.
The table displays the percentage of students participating in each of the five fitness evaluations by grade. Detailed information regarding this test may be found at the CDE website at http://www.cde.ca.gov/ta/tg/pf/.
To protect student privacy, results are not publicly available when a student group has ten or less pupils.

CHRONIC ABSENTEEISM

Attendance is critical to academic achievement. Regular daily attendance is a priority and is expected for students. A student who is absent on 10 percent or more of the school days in the school year is considered to be a "chronic absentee". Chronic absenteeism negatively impacts student learning and achievement and is closely monitored by school staff and the district. Rates of chronic absenteeism for the school are displayed below.

PARENT ENGAGEMENT

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):
- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

PARENT INVOLVEMENT

Parents are invited to participate through the Parent Staff Advisory Committee (PSAC) and District Language Advisory Committee (D/ELAC), Annual Open House, and several Parent Conference weeks. Dates for advisory committee meetings are communicated by mail, phone calls, and personal contact. Great effort is taken to schedule parent meetings at times conducive to parent work schedules and childcare availability, and meetings are held at community school sites for easy accessibility. Students are included in the PSAC committee meetings, adding additional perspective to the process.

SCHOOL CLIMATE

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):
- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

SUSPENSIONS AND EXPULSIONS

The table displays the suspension and expulsion rates at the school, in the district, and throughout the state. Expulsions occur only when required by law or when all other alternatives are exhausted. Due to the COVID-19 pandemic, the 2020-2021 rate data is not comparable. In instances where there was not in-person learning for the entire school year, it would be inappropriate to make any comparisons of the suspension and expulsion rates to school years that offered in-person learning for the entire school year.

SCHOOL SAFETY

The safety of students and staff is a primary concern at Santa Barbara County Juvenile Court Schools. Students are supervised by Santa Barbara County Probation Department staff to ensure a safe and orderly environment. All visitors must make arrangements with school staff in advance, sign in at the school's office, wear visitors badges during their time on campus, and check out at the office upon leaving.

During the COVID-19 pandemic, protecting the health and safety of our staff, students and families is a priority. The school has created comprehensive health and safety protocols which include: cleaning, disinfecting and sanitizing, use of personal protective equipment, symptom screening, social distancing, hygiene practices, testing, and responding to positive cases.

The comprehensive School Safety Plan was developed by Santa Barbara County Education Office to comply with Senate Bill 187 (SB 187) of 1997. The plan provides students and staff a means of ensuring a safe and orderly learning environment. The following requirements of SB 187 are included in the School Safety Plan, published within the Annual Student/Parent Handbook: current status of school crime, child abuse reporting procedures, disaster procedures; policies related to suspension and expulsion, notification to teachers, sexual harassment policy, provision of a schoolwide dress code, safe ingress and egress of pupils, parents, and school employees, safe and orderly school environment, and school rules and procedures. The plan was most recently updated and reviewed with staff in February 2023.
