Dear Mount Olive Township School Community,

As we progress in our Strategic Planning process, our next step is to distribute surveys to ensure that everyone has an opportunity to voice their perspectives and ideas. Your participation is crucial in ensuring that our plan accurately reflects the needs and aspirations of our community.

Completing this survey will only take a few minutes of your time, but the impact of your feedback will be significant in guiding our strategic decisions moving forward. Whether you are a parent, alumni, neighbor, or community partner, your perspective matters to us. Your responses will be anonymous, ensuring that you can freely express your thoughts and ideas.

The strategic planning process aims to identify our strengths, address areas for improvement, and outline goals and strategies to ensure the continued success of our school community. Your participation in this process is crucial in helping us achieve these objectives.

Please prioritize completing the feedback form by April 15, 2024 to ensure that your input is included in our strategic planning discussions. Together, we can shape the future of our school district. Thank you for your continued support and commitment to our community.

Strategic Planning Surveys:

- [Parent/Guardian Survey](#)
- [Community Members](#)

Warm Regards,

Dr. Sumit Bangia
Superintendent of Schools
