ASSESSMENT

According to the Minnesota Department of Education (January 18, 2018), "Districts have a number of requirements to fulfill for students' career and college planning for students first enrolled in grade eight in 2012-13 and later. This includes offering students in grades 11 and 12 an opportunity to participate in a nationally recognized college entrance exam (ACT or SAT) on a school day." SPPS currently offers a school day ACT in the spring of each school year.
