Delphos Jefferson Middle School 5th graders recently held their annual music program under the direction of Ms. Tammy Wirth. They dressed up and performed solos and group ensembles as their favorite music stars!!!! Thank you for your hard work 5th graders and Ms. Wirth. The performance was AWESOME!!

Delphos Jefferson Middle School is proud to announce their Students of the Month. Front l to r: 5th Grade: Anderson Carpenter, Rylee Schuerman, 6th Grade: Kynlee Geary and Zaidyn Trent. Back l to r: 7th: Kate Brinkman, Jackson Violet, 8th Brylee Geary and Amity Parent. Way to go, Keep up the good work.

Today the 5th grade students continued learning about Force and Motion through hands-on activities during their SESA presentation. Students completed activities and experiments to test forces like inertia, gravity, and friction.

For the month of February, the Delphos Jefferson Middle School Student Council focused on the theme of 'Love Thy Neighbor'. The students put together cheerful cards to send to nursing homes and wrote letters to our local fire/EMS/police forces. Some students were able to bring in care items in order to put together small homeless kits to give to the local thrift store. Yesterday, a few student council members helped deliver those cards and items. Even Molly enjoyed visiting the nursing home and getting some extra petting.
