

5680	Health and Safety Committee
-------------	------------------------------------

In compliance with the Rebuild Schools to Uphold Education (RESCUE) Law of 1998, the Ballston Spa Central School District shall establish and maintain a Health and Safety Committee with the following purpose:

- a. To provide a committee member for the annual building visual inspection,
- b. To provide a consultation for the building safety rating,
- c. To be involved in the disposition of complaints related to health and safety, and
- d. To participate in post construction inspections to confirm new and renovated spaces are ready to be opened for use.

Membership shall be broad, to include employee bargaining units, district administrators, health professionals, parents and students. Meetings should occur at the discretion of the group's leadership or as issues dictate.
