

Student Illnesses:

For the protection of all students the following health rules have been set up and will be followed at all times. A child **CANNOT REMAIN** at school with:

1. Fever of 100 degrees or over
2. Undiagnosed rash or weeping sores
3. Vomiting
4. Diarrhea
5. Red, discharging eyes or
6. Any illness making him/her feel too badly to participate

A student having ANY of the above symptoms in the morning before school should stay at home for observation and care. There are limited facilities for putting students to bed, BUT ONLY until arrangements can be made for him/her to go home.

All students who have been absent should bring a note stating the reason for the absence. If the student was absent because of a communicable disease, please state the disease.

The periods of exclusion for the most common communicable diseases are:
