Notes from Principal Ruhlin

February filled our hearts with lots of laughter, joy, and learning. Kindergarten, 1st, and 2nd grade students braved new challenges while learning to skate at Spartan Arena. 2nd graders spread some "love" around downtown Rutland and we engaged in many STEAM challenges throughout the month. We also found 100s of ways to celebrate the 100th Day of School!

After a restful February break, our amazing staff returned to a new and improved Faculty room. While we were resting, the wonderful volunteers at Roadside Chapel were hard at work conducting this "make over" for us!
