

Arabic Bilingual Program

PROGRAM OPEN TO RESIDENTS AND NON-RESIDENTS OF BELLEVUE OF INCOMING KINDERGARTEN-3RD GRADE FAMILIES

We are excited to introduce our Arabic Bilingual Program for Incoming Kindergarten-3rd grade students. This program offers students the opportunity to learn the Arabic language during regular school day while studying other core subjects such as Math, Science, Social Studies, and English Language Arts in English and follows Bellevue school's high standard for teaching and assessments. The primary goal of this program is to celebrate both culture and language, fostering a positive sense of identity.
