If the State of California deems it safe and allows schools to open for the 2020-2021 school year, and the District follows all of the county health guidelines, what will you do?

If the State of California deems it safe and allows schools to open for the 2020-2021 school year, and the District follows the county health guidelines, and you are able to return to work, what type of schedule would work for you? Please check all that apply.

If the State of California deems it safe and allows schools to open for the 2020-2021 school year, and the District follows the county health guidelines, and you are able to return to work, what type of schedule would work for you? Please check all that apply.

Option 1: Limit the number of students on campus to 50% of normal. Divide all classes into two equal groups. One group would come to school Mon/Wed and the other Tues/Thus. Two days of direct instruction and three days of distance learning for both groups. Fridays would be used for individual and small group support by appointment and by need.

Option 2: Limit the number of students on campus to 20% of normal. All classes would be divided into five equal groups (one for each day). There would be one day of direct instructions and four days of distance learning.

Option 3: For schools that can provide universal internet access, pair Option 1 or 2 with classroom webcast to provide direct instruction five days a week.

Option 4: AM/PM minimum day schedule. Half of the class arrives in the morning, the other half in the afternoon. They day is split for all students; half face to face instruction, and distance learning the other half.

Option 5: My position allows for a flexible schedule to be determined by the manager of my department
