

## **NOTICE OF REQUEST FOR QUALIFICATIONS FOR DESIGN PROFESSIONAL SERVICES**

The Gallipolis City School District Board of Education is accepting qualifications from design professionals to provide design services for the **High School Wellness Center Project**. The Project is anticipated to include construction of new one-story facility located on the current high school campus to provide school and community access to healthcare and mental/behavioral health services, including space for an optometrist, dentist, dental hygienist, nurse practitioner, nurse, mental health counselors, COVID isolation room, school psychologists, public restroom, lounge area, reception area and waiting room. Interested firms may request an RFQ from Craig Wright, Superintendent at [craig.wright@gc-k12.org](mailto:craig.wright@gc-k12.org). Qualifications will be accepted until **2:00 p.m.** local time, **April 12, 2024**.
