RE: Student drop-off safety reminders, and policy on food deliveries

Dear Oak Grove Students, Parents, and Guardians,

There are two items that I would like to address with our Oak Grove families. I would appreciate it if you would take a few minutes to read these and discuss them with your student as needed. If you have questions or concerns, I would be happy to discuss them further with you.

1. Student drop-off safety reminders

Parents and other drivers – Please ONLY drop off your students when you are stopped at a curb.

- This will help us ensure that all students have a safe walking path from your vehicle to the school gates. I know that our main office parking lot only has room for 7-8 vehicles along the curb, and that there is often a line of cars waiting patiently to access them. However, other drivers are not always looking for students that may have been let out in the middle of the parking lot, and this puts them at risk.

2. Food deliveries for students

Parents and students – Please DO NOT order food and have it delivered to our school. We will not accept it.

- This will help us ensure that all students are safe, and that all parents are aware of the food that their students are having on campus. We will ONLY accept food that is brought to the office by parents/guardians, as listed in our student emergency cards.
- Since our office team is busy handling the daily business of our school, we ask that parents please limit food drop offs.

Please contact our school office with any questions. Thank you!
