

Middle School Mathematics Teacher

Seacrest Country Day School, a PS-12th grade independent, college preparatory school in Naples, Florida, is seeking an experienced Middle School Mathematics Teacher. The ideal candidate will have advanced knowledge of mathematics, strong collaboration skills, and a demonstrated commitment to using learner-centered pedagogy, an inquiry-based curriculum, and alternative assessments.

Seacrest retains and recruits dynamic educators who value collaboration and partnerships, seek new, mission-appropriate methodologies, and love working with children.

Founded in 1983, Seacrest provides a safe, student-centered environment to educate a diverse community of students to become lifelong learners who pursue academic and personal excellence, physical well-being, creative achievement, and a commitment to social responsibility.

Our Mission: Seacrest Country Day School is committed to fueling intellectual engagement, teaching ownership of the educational experience, cultivating quality of character, and inspiring students to lead lives of significance.

Essential Duties and Responsibilities

- This teacher should be able to teach all middle and upper school mathematics courses up to and including knowledge of Calculus and Statistics.
- Possess extensive knowledge of mathematics curriculum design that includes experience working in cross-curricular contexts and are comfortable collaborating with colleagues across teams.
- Our curriculum spans courses from Math Concepts in 6th grade through AP Statistics, AP Calculus AB/BC, Multivariable Calculus, and Linear Algebra.
- Teachers in the Seacrest Mathematics Department implement a balanced program that offers students the best in traditional learning techniques while providing instruction in other technological resources.

- This teacher will also serve as a small group advisory teacher. The advisory role serves as the first point of contact for parents, and they strengthen the relationship between the school and the family.
- In addition to teaching and advising, Seacrest faculty lead significant out-of-the-classroom activities like coaching a sport or a competitive academic team.

Common Qualification Requirements:

- Candidates must have the desire and ability to develop meaningful and productive relationships with highly motivated students from diverse backgrounds.
- This teacher and advisor should plan to be an integral component of the students' lives, in and out of the classroom, and to collaborate with colleagues on grade-level teams and as a member of the Mathematics Department.
- A bachelor's degree (or higher) in mathematics or mathematics education.

Compensation and Benefits

This full-time instructional position will start on August 1, 2024, for the 2024-25 academic year. Full-time employees are eligible for our competitive benefits package, which includes medical, dental, vision, disability, AD&D, life insurance, AFLAC ,and Seacrest's 403(b) retirement program.

- Seacrest Country Day School is an equal-opportunity employer.
- Fingerprinting and background checks are a required part of the Seacrest employment eligibility process.

To apply for this position, please send your resume and cover letter to HR@seacrest.org.
