

## Cambridge High School Course Waiver Form

Student Name (as listed in Infinite Campus): \_\_\_\_\_

Current Grade: \_\_\_\_\_ Student Email: \_\_\_\_\_ Date of Submission: \_\_\_\_\_

The Fulton County Curriculum Department has created minimum guidelines for each advanced course offered in Fulton County. Cambridge has adopted additional prerequisite minimums based on the students' grades and overall skills, which are listed in the Cambridge Curriculum Handbook. Students are encouraged to pursue a challenging course of study; however, they should keep in mind the demands of AP/Honors courses are significantly higher than those of on-level courses. Students should consider course load, extra-curricular commitments, level of motivation, after-school jobs, and academic/career goals when signing up for AP and honors-level courses. Both FCS Placement Guidelines and Cambridge Curriculum Guide can be found on the Cambridge High School website: [www.cambridgehs.org](http://www.cambridgehs.org).

**Directions:** Complete the section below to indicate the course that was initially recommended by your teacher and state the title of the course for which you are requesting a waiver. **Initials and Signatures from BOTH student and parent/guardian are required.** Submit the completed form to Bridge West.

Title of the Recommended Course: _____  Title of the Requesting Course: _____
---

Title of the Recommended Course: _____  Title of the Requesting Course: _____
---

**Course Waiver**

**We understand that placement in the course(s) listed above is not recommended; however, we are overriding this recommendation. By signing below, we acknowledge that:**

	Student Initial	Parent/Guardian Initial
I understand that this is a more challenging class and will require more work on my part. I will not be able to drop this course and will remain in the course(s) at least through the end of the first semester despite the difficulties I may experience.		
I understand that this waiver is contingent upon space availability.		
To waiver, I must meet the grade level and course requisites. I do not need to waiver if I meet the FCS Course Placement Guidelines.		
If I perform poorly in the requested course, it may affect my scheduling options, Numeric Average/GPA, graduation progress, honors and awards, college options, and scholarship opportunities.		
I understand that the teacher is under no obligation to provide me with assistance or tutoring above or beyond what is available to other students.		
I understand that it is the student's responsibility to check Campus Portal for the latest schedule updates.		
I understand that AP exams are ordered the beginning of November. If I drop the class after the exam is ordered or I do not show for the exam, I am subjected to a \$40 fee. Notices of this and specific deadlines will be posted in the Cambridge Headlines.		
It is the student's responsibility to check <a href="http://www.cambridgehs.org">www.cambridgehs.org</a> for any summer assignments.
